

MY LIFE STORY

My name is Connor Gordon, I am ten years old and I live in Clapham Junction.

I was born at ten past six in the morning on January Eighteenth 1998 in Chelsea and Westminster hospital.

Only a few hours later my Mum and my Aunty took me to my home on the Peabody Estate where I still live now.

At the age of two I went to nursery at Highview School and I stayed there until year four when I got expelled and went to Elsley School.

My favourite football team is Chelsea and I have always supported them because the majority of my family and my friends are also Chelsea fans.

I have an older sister called Rachel, and sometimes she can be so annoying for example once when I was asleep she threw a bucket of water over me! Rachel is eighteen years old and she lives on Shaftsbury estate with her dad, her boyfriend and her little baby girl.

I enjoy being at Elsley but I can not wait to go to Nightingale because of the football academy with Jamie Lawrence. My dream is to become a professional footballer playing for Chelsea and England and scoring the winning goal in the world cup final.
