

At the recent Queenstown Report Back Meeting on 20th November 2007 a range of issues were discussed, including:

- The impact of deprivation on housing estates in the area.
- Facilities for young people
- Parking and traffic calming on Prince of Wales Drive/near Battersea Park
- Battersea Power Station – plans and options
- Services for the Somali Community
- The attitudes of landlords to the anti-social behaviour of some of their tenants
- Eviction of tenants on grounds of noise nuisance
- Fly-tipping – Young’s Court and Clondel Road
- Data Protection responsibilities – treatment of information provided by tenants of the Patmore Estate
- Councillors’ allowances (point of information)
