

At the recent Bedford Report Back Meeting on 12th February 2009 a range of issues were discussed, including: -

- Concerns regarding the conversion into flats of single-family dwellings. These conversions increased pressure on the local infrastructure.
- Rubbish regularly being put out in Louisville Road before collection day.
- Litter accumulating in Brook Close.
- Street cleansing around Carnie Lodge needing to be improved.
- The future plans for Carnie Lodge.
- The traffic lights at the junction of Elmbourne Road and Tooting Bec Road.
- Speeding cars exiting Lidl.
- The display of goods blocking the pavement outside 66 Tooting High Street
- The need for a North-South bus route
- The impact of bus lanes on congestion
- The need to review the time periods for parking zones
- That half –day visitor permits should be made available to residents
- Abuse of disabled parking spaces
- Crossovers and dropped kerbs
