Structural Engineer AKT	Services Engineer Max Fordham	Project Manager
Project QS Gleeds	CDM Co-ordinator NHBC	Main Contractor

general notes

- do not scale drawings
- all dimensions are in millimetres unless otherwise stated
- all dimensions shall be verified on site before proceeding with the work
- this drawing to be read in conjunction with all relevant structural, mechanical and electrical information
- this drawing to be read in conjunction with all SMC ALSOP's drawings

SMC ALSOP's role on this project is that of Designer as defined in Regulation 2 of the Construction (Design and Management) Regulations 2007 (CDM). The design has been prepared with regard for the need under CDM Regulations 11, 18 and associated Regulations to eliminate hazards which may give rise to risks and reduce risks from any remaining hazards. CDM affects the Contractor's normal health and safety obligations when undertaking constructional operations. You are reminded of your duties under CDM and particularly to consider matters detailed in the pre-construction information. Professional advice should be sought if you are in any way unclear as to your obligations under CDM.
