Dear Resident/Business Occupier

Pickets Street / Bellamy Street Area – Parking Consultation Results

You may recall that we consulted you in October last year to find out if you were in favour of becoming part of the H1 sub-zone (operating all day from 9.30am to 5.30pm, Monday to Friday).

The consultation was carried out as a previous review of the H2 sub-zone had shown that the majority of respondents in your streets were in favour of extending the hours of parking control to operate all day. The results of the October consultation are shown in the table below.

Street Name	Delivered	Responded	Would you prefer to -	
			remain part of the H2 one-hour zone?	become part of the H1 all-day zone?
Bellamy St	63	31 (49%)	84%	16%
Pickets St	34	19 (56%)	84%	16%
Temperley Rd	30	20 (67%)	75%	25%
Total	127	70 (55%)	81%	19%

As the consultation results show that the majority of respondents do not wish to become part of the H1 sub-zone, your streets will remain part of the H2 zone, with parking controls operating from 10.30am to 11.30am, Monday to Friday.
