Balham Town Centre

Trade waste time banding

Wandsworth Council has made regulations to improve the street scene by controlling rubbish bins and sacks. In Balham town centre, the regulations limit the times when trade waste may be left on public footways.

number one for
service and value

Balham Town Centre trade waste time banding

Who does this affect?

This information leaflet is for businesses within the **defined area** shown in this leaflet, that have their waste collected from the public footway. Collections from **within premises** are not affected.

Key points in the regulations

- Businesses can only leave waste on the public footway between 10am-noon and 10pm-midnight.
- Waste left on the public footway may only be immediately adjacent to the premises street entrance.
- Rubbish bins and sacks must show the **name** of either the business producing the rubbish or the waste collector. In addition they must show a **contact telephone number** and either the words "Trade Waste" or "Commercial Waste".
- Sacks may **not** have a base colour of black, green, yellow, orange or red.
- Waste remaining on the street outside of these bands will result in the producer being issued with a **penalty charge notice**.
- Businesses must ensure that they comply with all the regulations. The full regulations can be found at www.wandsworth.gov.uk/wasteregulations. Hard copies can be bought for £5 from the council, or viewed during working hours.

Your Duty of Care

- Businesses **must** either have in place a Trade Refuse Agreement with a licensed waste carrier or may take their own rubbish to a licensed waste disposal site and pay the disposal charges.
- Businesses are **not permitted** to use the public areas at waste disposal sites (public tips) or recycling sites for the disposal of their waste.
- Businesses must **keep the documentation** covering their waste disposal arrangements **for 2 years** and produce it to a council officer on demand.
- Failure to produce the documentation will result in a **£300 fixed penalty notice** to be paid within 14 days of issue. Failure to pay the fixed penalty notice in the required time will result in court proceedings. If convicted, these offences carry a fine of up to £5,000 or an unlimited fine should the case go to Crown Court.
- Further information about waste and authorised waste carriers in the area can also be found on the council's website – www.wandsworth.gov.uk/tradewaste

Please note that Business Rates is a national tax collected by local councils on behalf the Government. It does not cover the costs of the collection/disposal of waste produced by businesses.
