Crime Prevention Tips

- Be extra careful when using cash points
- cover your PIN number
- Burglars hate light. Low energy bulbs and timer switches make it look like you are at home
- Make sure presents in your home can't be seen by burglars from outside
- Don't leave anything on show in your car
- especially presents
- Never let your credit or debit cards out of sight - especially in restaurants and petrol stations
- Boxes left outside your home can show what's in your home - get rid of them carefully
