

## **Welcome to Sacred Heart Primary School, Battersea**

Within this school, we aim to create a supportive, friendly environment suitable to the young child, where the foundations of a good all round education are laid.

Support from home is a vital factor in providing your child with a secure base for learning. This means that parents understand that we are not child minders but educators who, working with you in partnership, are laying foundations for the future while enjoying the present.

As a Catholic school we try to give the children a high moral framework, based on the Gospel values. We support the family in their teaching of the Catholic faith.

I hope that your child's days in our school will be both happy and fruitful.
