Request details: Use of Court of Protection

I would like to know about welfare cases for the year April 1st 2014 – March 31 2015. By 'welfare' cases, I mean any cases before the Court of Protection which are not about a person's property and affairs (or a property and affairs deputyship on its own), but which could include matters about where a person lives, who they have contact with, any possible deprivation of liberty, medical treatments, welfare deputyship applications and other welfare matters. Please give answers only for cases which were commenced or ongoing during 1st April 2014 - 31st March 2015 where you were a party to the proceedings.

1. How many welfare cases in the Court of Protection was your local authority a party to during 2014-15?

2. Of those cases, how many were of the following kinds:

a. An application to authorise a deprivation of liberty in a setting not covered by the MCA DoLS, using the Re X streamline procedure described in X & Ors (Deprivation of Liberty) [2014] EWCOP 25 and Re X and others (Deprivation of Liberty) (Number 2) [2014] EWCOP 37

b. An application to the Court of Protection to seek a review of a deprivation of liberty that was authorised by the local authority in its capacity as supervisory body (either under s21A MCA or for declarations/orders under s15 and s16 MCA)

c. An application relating to another welfare matter about a person who is deprived of their liberty

d. An application relating to another welfare matter that was not connected with any deprivation of liberty

e. Other welfare cases not falling into the above categories

3. If it is possible to do so within the available resources, please could you tell us for each Court of Protection case you were involved in during 2014-15 the following information. We recognise that some of this information may be too resource-intensive to provide, so we have listed the questions in order of priority.

4. Which category (of those listed in Q2 above) did the case fall into? (e.g. Re X, DoLS review, other welfare and deprivation of liberty matter, other welfare matter not involving deprivation of liberty, other).

5. Who made the initial application to the Court of Protection? (e.g. The local authority, an NHS body, 'P', a family member of P, a friend of P, an IMCA, another kind of advocate, or some other person).

6. Is the case ongoing (yes/no)?

7. How long, in total, has the case lasted for to date? (to the nearest year/month).

8. Please estimate the overall cost to the local authority of this case (to date). (If you are able to share with us more detail about the nature of those costs – e.g. time of in-house legal and social care staff, expert reports, instructing counsel, application fee, payments to IMCAs acting as litigation friends, etc – then we would be very interested in this as it would provide useful data on the costs of Court of Protection litigation. However, we recognise that this information would likely take us beyond the resource limits of the request)
