

Wandsworth Common

Winter 2015

Ravi Govindia Council Leader

Beatrix Potter Primary School,

Magdalen Road, SW18 3ER
(Please use entrance on Openview)

**Monday, December 7
from 7.30pm**

**The council wants to know what you think
about life in Wandsworth Common ward.**

Whether it's services like recycling, street cleaning, parking, education and housing where the council has a direct responsibility – or other areas like policing, public transport and the NHS – we want to make sure that we understand your priorities for your community.

Your three ward councillors Claire Clay, Maurice Heaster and Kathy Tracey will also be present along with leader of the opposition, Rex Osborn and senior managers from the main council services.

If you are unable to attend the meeting, you can still submit your questions to the council via the website
www.wandsworth.gov.uk/letstalk.

Wandsworth one-way system A consultation is now underway into Transport for London's proposals to redesign the one way system and make large parts of the town centre more pedestrian friendly, while also deterring the 'rat running' that affects this area. Your local councillors will be watching closely to ensure residents and business feel the benefit of any changes.

Crossrail 2 Plans for a new tube line linking Wimbledon to Hackney via Clapham Junction are gathering pace. Bringing the tube to Clapham Junction and improving connectivity into central London are key transport priorities. The latest proposals are to route trains via Balham, meaning access shafts near Bolingbroke Grove and on the Springfield Hospital site, after previous attempts to site them on Trinity Fields or by the playground/café were seen off. If you have views on these latest proposals please take part in TfL's consultation.

Cycle Quietways The Mayor's cycling Quietways are designed to encourage safer two wheel travel by using less busy roads. A proposed route from Wimbledon to Waterloo would cross Wandsworth Common. While keen supporters of cycling, ward councillors have concerns this route could have an adverse impact on pedestrians, especially young families. If you

have a view please take part in the Mayor's consultation.

Springfield Park plans A planning application (ref 2015/5306) for a new public park on the redeveloped Springfield Hospital site is now up for discussion and it's vital local people have their say. This will have a major impact on the area, with choices to be made on the balance between leisure and sport, including the possibility of a new family orientated mini-golf course/putting greens.

Wandsworth 24seven With so many important local consultations currently underway - if you want to make sure you're kept up to date with local news and information you can sign up to a weekly e-newsletter at www.wandsworth.gov.uk/e-news

Godley Gardens Refurbishment Your local councillors acted on concerns that this small green space had become unloved and neglected. New family friendly plans have been drawn up and funding is expected to be approved shortly.

Heathfield Road play facilities The playground by the nursery on Heathfield Road is open term time afternoons and all day at weekends and during school holidays. There are two sessions with extra activities on Tuesday and Thursday afternoons available for a small charge.

If you have questions about this leaflet or require a large print version please call (020) 8871 7520.

Do you have a disability? If you have and require special arrangements to attend, e.g. a signer or provision of a loop system, please telephone Gareth Jones on (020) 8871 7520 in advance of the meeting.
