**Request details:** Independent Living Fund

I would be grateful for the following information:

1) How many former Independent Living Fund (ILF) recipients reside in your London Borough?

2) How many former ILF recipients who have had community care assessments have had reductions in levels of their care package funding and/or support compared to the total they received from both the ILF and the Local Authority combined pre-closure?

Of these how many have had reductions:

- of under 10%?
- of between 10 and 20%?
- of between 21% and 40%?
- of between 41% and 50% ?
- of over 50% ?

3) The government has committed to four years' worth of funding through the Former ILF Recipient grant. Will your London Borough be:

- Ring-fencing this to care and support for former ILF recipients?
- Ring-fencing to adult social care>
- Not ring-fencing.

4) How many former ILF recipients have as part of their re-assessment been referred for a Continuing Healthcare Assessment, and of these how many were found eligible?

5) How many complaints have been received from former ILF recipients concerning their re-assessment and outcomes thereof?

6) How many former ILF recipients have been moved into residential care following the closure of the ILF?

**Request details:** Water Charges

I would like to request the following information in response to the questions below, covering the tax year 2015-2016 (unless otherwise stated) held by yourselves or originated by yourselves.

1) As a local authority, do you have tenants in council housing that pay for their water supply through the local authority?

If yes:-

A) How many tenants pay for their water supply through the local authority

B) And what proportion of households does this represent)?

C) Does the local authority charge a flat rate for water supply to tenants in council housing?

D) Are water charges (flat rate or otherwise) set by the local authority, or the water company?

E) Does the local authority apply an admin fee to water bills, and if so, what is the level of this admin fee?

F) If a tenant wishes to pay their water bills directly to the water company, do they require permission from the local authority in order to liaise with the water company directly?

2) Charges

A) If you charge tenants in council housing for water supply based on the number of bedrooms, please could you provide:-

- the charge for water supply for tenants living in a one-bedroom property for the tax year 2016-17

- the charge for water supply for tenants living in a two-bedroom property for the tax year 2016-17

- the charge for water supply for tenants living in a three-bedroom property for the tax year 2016-17

B) If you charge tenants in council housing for water supply based on the number of individuals in the household, please could you provide:

- the charge for water supply for a single council housing tenant for the whole tax year 2016-17;

- the charge for water supply for two council housing tenants for the whole tax year 2016-17;

- the charge for water supply for three or more council housing tenants for the whole tax year 2016-17.

3) Do you have a written agreement with your region's water company with regards to water rates for local authority housing tenants?

If the cost would be too high to provide responses to all of these, I would kindly request if you could prioritise them in the following order, though I know you are under no obligation to do so:

1)

A), B), C), D), E), F)

In addition, if you are unable to answer question 2) due to costs, please could you provide the average charge per council property. The last in priority then is question 3).

**Reference:** 13182 **Received:** 10/06/2016

**Request details:** Commissioned Services and Support

My request is for information about services and support commissioned in your area that provide mental health assessment, support and treatment which actively target people who are street homeless (sleeping rough).

People who are sleeping rough are sleeping in the open air (such as on the streets, in tents, doorways, parks, bus shelters or encampments), or other places not designed for habitation (such as stairwells, barns, sheds, car parks, cars, derelict boats, stations).

Rough sleeping does not include people in hostels or shelters, people in campsites or other sites used for recreational purposes or organised protest, squatters or travellers.

Services that provide mental health assessment, support and treatment targeting people sleeping rough might include:

- NHS mental health services
- GP practices
- Other services that include staff trained to conduct mental health assessments and who are able to make direct referrals into NHS mental health services (e.g. those provided by local authorities or commissioned services provided by the voluntary sector)

Examples could include:-

- A mental health homelessness outreach team designed for people sleeping rough with mental health problems that includes doctors, nurses, psychologists and/or psychotherapists.
- A mental health assertive outreach service that expressly targets people sleeping rough.
- A GP practice which is commissioned to provide targeted mental health assessment, treatment and referrals for people sleeping rough.
- A commissioned mental health service based in a day centre or night shelter for people sleeping rough.

I am aware that services of this type may be commissioned by clinical commissioning groups or by local authorities, or they may be jointly commissioned. This request will also be issued to relevant clinical commissioning groups. If services are jointly commissioned, I would be grateful if you could still provide all the requested information.

Please provide an itemised list of any services that provide mental health support and treatment actively targeting people who are sleeping rough that you funded in

- A. 2015-16
- B. 2014-15
- C. 2013-14
- D. 2012-13
- E. 2011-12

For each service, please provide a brief description and details about who the service is for, who it is commissioned by, and the value of the contract in each specified financial year.

**Request details:** Spare room subsidy

---

How many households on housing benefit have been allocated to a social property (including housing association and council-owned) by your council where they will under-occupy (the property has too many bedrooms for their needs) and therefore be subject to the government's 'removal of the spare room subsidy'?

In:

April 2012-March 2013  
April 2013- March 2014  
April 2014-March 2015  
and April 2015- March 2016

How many households overall (including those on housing benefit and those not on housing benefit) have been allocated to a social property by your council that is too large for their needs and where they will under-occupy?

In:

April 2012-March 2013  
April 2013- March 2014  
April 2014-March 2015  
and April 2015-March 2016

What arrangements are made for households that are allocated to properties in which they will under occupy and be subject to the removal of the spare room subsidy? Do they get automatic Discretionary Housing Payment if they are allocated to an oversized home by their local authority?

**Request details:** Affordable Housing

---

London affordable housing guidelines expect less contributions from private rented sector (PRS) developments compared to housing for sale, as up front receipts are less. Can figures/estimates be provided for a recent period, (a year or longer if easier):-

1. Number of planning applications for large PRS developments (10 units+), (usually covenanted not to be sold);
  2. No that made affordable housing contributions;
  3. No of units, % affordable housing on site, or payments for off-site provision;
  4. How many included Financial Viability Appraisals (FVA)?
  5. For how many did the Council commission an external FV review?
  6. How many S106 agreements included a viability review to assess future feasibility of affordable housing contributions? Brief details, did reviews apply:-
    - a) Only if building does not start by a deadline;
    - b) Regardless of construction start, to maximise affordable delivery.

**Request details:** Average affordable rents

---

London targets aim for affordable rents at around 65% of market rates. I primarily need figures for new housing association (HA) properties, under Section 106 agreements where councils agree rent levels. If housing policies aim for specific rent levels details would help but questions relate to what's actually been delivered.

Questions (borough wide estimates, for recent year/period):-

1. % of market rents for;
    - a) New HA units under S106 agreements;
    - b) All new build HA properties, with/out grant, S106, HA led schemes;
    - c) All re-let vacant HA properties (not new build);
    - d) New or re-let council properties if relevant;
    - e) Ex-council properties transferred to HAs, particularly re-let vacants.
  2. Recent average actual affordable rent levels, £/month/week, for 1, 2, and 3 bed flats.

**Request details:** Developers and schools

---

In some planning approvals developers provided (uncosted) schools as part of large residential schemes, which reduced affordable housing provision. This raises the question of whether affordable housing is commonly sacrificed to provide schools that could be funded by government and local Community Infrastructure Levy (CIL).

1. Have developers provided any schools in your borough since 2010?
2. How many? Primary/secondary? Building or serviced site only?
3. What % of affordable housing (AH) was provided?
4. Was AH reduced due to this cost? If so, roughly by how much?
5. Were school building costs specified?
6. If there are any examples of AH being significantly reduced by (uncosted) provision of other large community facilities, (separate to those usually funded by CIL), brief details would be appreciated.

I need figures/estimates for recent year/period;

1. No of 'large' planning applications of 10+ residential units.
2. Of above, number/% where developer provided:-a Financial viability appraisal (FVA) re affordable housing (AH) deliverable.
3. 'Small' schemes with FVA.
4. No of large schemes where the Council:
  - a) commissioned external viability review & average cost;
  - b) officers reviewed viability.
5. No of S106 agreements including a 'FV review,' and if applied:
  - a) Only if building does not start by a deadline;
  - b) Regardless of construction start, to maximise AH.

Estimates re large developments.

6. Average time from application to completion; estimated range, eg, 3-5 years.
7. No of times developers reviewed S106 to justify providing less AH.
8. Affordable units lost due to 7.
9. Proportion of cases where AH was reduced due to:
  - a) Grant reduction;
  - b) Changes in costs or revenues.

For each school –

- How many schools do you currently provide a central connectivity service to?
- The cost of supplying broadband to each school within the remit of the Council. Please state the school name with address, postcode, cost of internet circuit and where the circuit goes to, e.g. from school x to county hall network centre.
- What are the different elements that comprise the central connectivity service?
- Any other costs to the Council that form part of the school charging structure, e.g. cost of filtering and firewall security.
- Broadband provider, e.g. Virgin Media/BT;
- Connection type e.g. ADSL, FTTC, EFM;
- Bandwidth e.g. 100Mbps, 10Mbps;
- Average annual cost for connection type to each school. This should be concise and say exactly how each school's annual cost is calculated. It should also show the cost of any ancillary services schools can purchase from the Council. If the cost is calculated on a per pupil basis please include the full cost of that school for the year + the number of pupils at each school.
- Contract renewal date;
- Notice period a school has to give to change to an alternative provider;
- A list of applications the Council offers to each school that is currently only accessible via the schools current council supplied Internet connection/WAN connection. If there are any please state how the Council aims to allow schools/Academies not on the Councils network access to these services.
- Do you provide access to central systems independent of who the school uses as their broadband supplier?
- The Councils stance on alternative broadband providers to schools and the advice they send to schools regarding choosing an alternate provider;
- How many of your schools are converting to academies or trusts?
- Are there any grants or funding incentives open to schools?
- Are there any plans to step away from delivering central connectivity service to schools in the next 3 years?
- What are the step's you take to ensure that you offer a competitive service to schools, e.g. soft market testing?

**Request details:** Direct Payments

---

I'm currently looking at Direct Payment rates in Adult Social Care and would be extremely grateful for the following information:-

- What direct payment hourly rate/s does your council currently pay for adult social care and how is this rate reviewed?
- If there are multiple rates, what amount are these rates set at and who or what are the different rates for (e.g. separate rates for daycare or homecare, using agencies vs PAs)?
- What is the full breakdown of what the rate (or rates) includes, i.e. what part is allocated for the basic hourly payment for the carer, travel, sickness, NI, payroll etc?
- Are there other payments that are part of the DP process but not part of the hourly rate, e.g. to cover employer's liability insurance? If so, what are these for and at what level are they set?
- If you do not have fixed hourly DP rates or payments, what is the process by which the DP rate is determined for individuals?
- What are the Council's homecare rates for providers? If there are variable rates or rates for different kinds of service, please let us know what they are.

**Request details:** Discharge of statutory homeless duty

I am interested in obtaining data on the discharge of the Council's statutory homeless duty, particularly within the private rented sector. I understand that the Council can fully discharge the housing duty towards an applicant by making a 'private rented sector offer' (PRSO) under s.193 (7AA)-(7AC) of the Housing Act 1996 as amended by s.148 (5)-(7) Localism Act 2011.

In the interests of seeing how this has affected applicants, I would be grateful if you could provide the following information:-

1. I understand that the offer of accommodation needs to be suitable, but does not require the applicant's acceptance to be a valid offer. Therefore I would be interested to know

- (a) how many times the Council have discharged their duty towards an applicant by making a PRSO, each month, since the enactment of the Localism Act 2011, and
- (b) in how many instances this has followed the refusal of the offer by the applicant.

2. The Council are not required to make a PRSO within borough, consequently some applicants are being made offers outside of the borough, and outside of London. Can you provide me with a breakdown of

- (a) the geographical location of the properties with which the Council have made their PRSOs and
- (b) a summary of (i) the number of instances in which these properties are outside of the borough and (ii) within the borough.

3. In the interests of contextualising this information against the demands that the Council is facing, would you be able to provide time-series data on the number of applicants on the housing register, for each month since 2010.

**Freedom of Information Act requests for: June 2016**

**Reference:** 13238 **Received:** 23/06/2016

**Request details:** Wholly Owned Companies re Housing

Some local authorities have established wholly owned companies, or plan to - to build housing partly or wholly financed by borrowing outside of their Housing Revenue Account (HRA).

1. Has your council established a wholly owned company (WOC, or similar vehicle) for the purpose of delivering (affordable) housing, not financed through your HRA?

2. If not, do you intend to?

3. Homes already built through WOC, if any.

If you have already established a WOC which has financed new homes, can brief details be provided for:-

a) Number of units completed;

b) Of those, breakdown of tenure types, as a proportion (%) of all homes, and total numbers if available:

i) 'Affordable' units (all types);

ii) Social 'target' rents;

iii) Affordable rent (and average % of market rents if possible. Affordable rents can be set up to 80% of market rents);

iv) Intermediate rent;

v) Shared ownership;

vi) Private sale;

vii) Private rent.

4. New homes planned through WOC in the future.

If new homes are planned in future, can estimates be provided for:-

a) Number of units, and timescale for completion, eg, build X000 by 2025.

b) Of those, breakdown of tenure types, as a proportion (%) of all homes, and total numbers if available:-

i) Affordable units (all types);

ii) Social 'target' rents;

iii) Affordable rent (and average % of market rents if possible);

iv) Intermediate rent;

v) Shared ownership;

vi) Private sale;

vii) Private rent.

5. Other information if available.

It would be helpful if brief details could be provided on the following:-

a) If WOC homes have been or will be built on Council owned land, or any other publicly owned land, (Proportion of total). Or will be delivered as part of a Housing Zone or other GLA scheme.

B) Has your HRA reached its borrowing capacity according to Treasury rules? If not, how much headroom/borrowing capacity is left, and roughly when is the ceiling likely to be reached?

C) If any tenants of WOC's (will) have the right to buy, and proportion that do or will. According to Inside Housing reports several months ago, councils considered that wholly owned companies could be exempt from Right to Buy, seemingly on the grounds that affordable rented properties planned were not secure tenancies. If that was true, I assume it isn't anymore after the right to buy for Housing Associations, and that any WOC affordable/social rent properties will be subject to the Right to Buy. Is that correct?

---

**Freedom of Information Act requests for: June 2016**

---

D) Presumably the requirement for local authorities to fund the right to buy for housing association tenants, (through sales of vacant high value properties or other means), will apply to affordable/social rent homes built through WOCs. So the prediction of vacant re-lets in any WOC stock will be included in government calculations of high value council homes likely to become vacant annually. Is that correct? Or will new WOC homes be exempt, either completely or for a certain period? Is this yet to be decided by future regulations?

E) Borrowing methods: presumably WOC's can't borrow from the Public Works Loans Board (PWLB) or any government/EU backed institutions, and banks/traditional lenders are the main source of finance as with Housing Associations. If different kinds of financial institutions, such as pension funds or insurance companies, will provide equity or loans, brief details would be appreciated. Also, are any predictions available on interest rates charged/predicted; specifically how they compare to PWLB or government bond rates rather than absolute figures?

**Request details:** Illegal dumping in London

---

I would like to request the following information from you:

1. In the first instance I would like to find out if the Council keeps an electronic spreadsheet listing the items dumped, the location in which they are found and the date of the discovery/cleanup.

It would be great if, outside the FOI process, you could inform me if this information exists in this format.

If you do hold this information I would like to apply, under FOI if necessary, for a copy of this spreadsheet covering the period from January 1st 2011 to present. Please note that I am looking for a line-by-line spreadsheet covering each individual dumping incident (as opposed to a universal figure).

2. I would also like to find out:-

a) how much did illegal dumping cost the Council in each of the following years:

- 2011
- 2012
- 2013
- 2014
- 2015

b) a breakdown of costs in categories including (if available and not restricted to):

- general clean-up costs
- specialised clean-up costs
- CCTV
- other specified costs

3. If the dumping of needles/syringes is not contained in the spreadsheet requested under part 1 above I wish to request a separate electronic spreadsheet listing the needles/syringes dumped, the location in which they are found and the date of the discovery/cleanup.

Again, please note that I am looking for a line-by-line spreadsheet covering each individual dumping incident (as opposed to a universal figure).
