

Wandsworth Youth Opportunity Fund 2022 - 2023 Application Guidance Notes

What is it?

The Youth Opportunity Fund (or YOF for short) gives young people in Wandsworth the opportunity to apply for funding to spend on activities that will benefit other young people and make a real difference to their communities.

The YOF is all about projects **for** young people, **by** young people.

It gives young people the opportunity to plan, develop and deliver innovative and creative community projects.

Young people are involved in the entire process and the panel who decides what the funding should be spent on is made up of young people too!

Each individual application can be for up to a maximum of **£4,000**

Each year, YOF has a different theme, based on key priorities for young people in the borough. This will help us make sure that the YOF funds projects that make a real difference to young people in Wandsworth's lives.

Project Themes

We want to make sure that the YOF has the BIGGEST impact possible.

To do this, starting this year, YOF will have a yearly theme. The theme will be based on key priorities for young people in the borough.

This year's themes are based around the Youth Council's Manifesto:

Gender Violence

Mental Health

Climate Change

We would like to see projects and activities that take these things into consideration and give young people this opportunity and help them feel included in their community and feel a sense of belonging too.

We encourage you to be creative and think about how you can include these theme and these ideas in your projects/events.

How to apply

First, have a think about what sort of project you'd like to run. Then, once you've got an idea:

1. **Talk it through with someone** – speak with family, friends and your adult sponsor about your idea, so that you can come up with a clear and successful plan.
2. **Read our application guidance (this document!)** – make sure you know what the YOF is all about and what you can and can't apply for funding for, by reading the guidelines and this application form.
3. **Identify which theme(s) your project fits with.**
4. **Do your research** – make sure that your proposal is as detailed and accurate as possible. For example, if you want to hire some space out in a local youth centre then make sure that you have spoken with them about availability and cost.
5. **Attend a Funding Factory** – come and speak with the YOF Panel and chat through your project idea and get their expert advise on how to write a successful bid.
6. **Complete the application form** – Make sure you stick to the deadlines!

- Clearly supporting a key theme!
- Something new and exciting, that is different to what already happens in the borough!

They also want young people to learn and develop new skills, including:

- Project Management and Budgeting
- Team work
- Innovation
- Influence decision making in services for young people

- Increased awareness of the needs of others
- Business Skills
- Create positive change
- See their ideas come to life

Funding Factories

The YOF Panel want to **help you** write successful bids.

Our Funding Factories are there to support you and give you advice on how to write the BEST bids – we **STRONGLY** encourage you to attend one.

Fun fact: *Young people who attend a Funding Factory are more likely to have their YOF application succeed. Last year, 90% of those attending Funding Factories won their funding.*

It is **really** important that you let us know if you're planning to attend a Funding Factory. This helps make sure we have enough staff and YOF Panel Members present to support the evening.

Please confirm your attendance **at least 2 days before the session** with our YOF Manager:

Jodie Lancashire Clark, Youth Voice and Influence Officer

Email: jodie.lancashire-clark@participationpeople.com and
yof@richmondandwandsworth.gov.uk

Call: 07522 364314

IMPORTANT TO NOTE Funding Factories **WILL NOT** take place if no-one has confirmed their attendance for the evening.

What the YOF Panel are looking for

YOF applications will be marked against the following criteria:

1. Has the idea come from young people?
2. Will the project work?
3. Is the project value for money? What is the cost per person? Is it sustainable?
4. Is the idea new and innovative?
5. How does the idea link with the key theme for this year?
6. What will young people get out of taking part in this project? Do these outcomes fit in with the key theme?
7. Does the project address an area of need in Wandsworth?
8. Have the panel got all the information they need to make a decision?
9. Does it meet the YOF objectives and rules?

What to expect during the YOF application process

The YOF Panel are responsible for reviewing and marking all bids. The YOF Panel is made up of 8 young people and 2 adults.

Once we have received all the applications, these are then shortlisted by the YOF Panel.

If you're successful – you'll be invited to present to the YOF Panel directly.

The Presentation Panel is a chance for the panel to ask you any final questions they may have about your application.

The YOF panel has a standard set of questions they will ask you. These questions are:

- How were young people involved in creating the idea, involved in running the project and evaluating it?
- How will this project meet the requirements of the theme for YOF this year?
- Talk us through the budget and your reasoning for what you are asking for?
- What are your plans for the future of this project?

The panel may also have some additional questions for you, based on your application.

You can either be fully funded, part funded or not funded.

If you were not successful in your application, we always provide feedback as to why and how to improve your application for future YOF rounds.

GOOD LUCK!
