

**Ravi Govindia** Council Leader

## **Sacred Heart RC School,**

Roehampton Lane, SW15 5NX

**Thursday, February 20  
from 7.30pm**

**The council wants to know what you think  
about life in West Putney ward.**

Whether it's services like recycling, street cleaning, parking, education and housing where the council has a direct responsibility – or other areas like policing, public transport and the NHS – we want to make sure that we understand your priorities for your community.

The meeting will be chaired by the leader of the council Ravi Govindia. Your three ward councillors Jane Cooper, Liz Stokes and Steffi Sutters will also be present, along with leader of the opposition, Rex Osborn and senior managers from the main council services.

If you are unable to attend the meeting, you can still submit your questions to the council via the website  
[www.wandsworth.gov.uk/letstalk](http://www.wandsworth.gov.uk/letstalk).

**Wandsworth**

**Tennis talent** A council supported tennis initiative at Putney Lawn Tennis Club saw 16 young players from Ark Putney Academy attending 10 weekly coaching sessions at the club.

**20mph zone a success** A 20mph zone introduced across West Putney and the Dover House Road area has been deemed a success by residents who wanted lower speed limits in their neighbourhoods.

**Safety railings stay** Following intensive lobbying by your local ward councillors, TfL has abandoned its plan to remove the guard railings near Sacred Heart School in Roehampton Lane.

**Protecting Putney Park Lane** To maintain the lane's tranquil nature and allow pedestrians to safely use and enjoy it, new signs have been erected warning motorists that they could face legal action if they cause damage by their driving or parking.

**Window renewals** Residents on the Ashburton and Roehampton estates are having their old windows replaced. The installations should be completed within the next 18 months.

**Dover House play space** Using a grant from the town hall's Big Society Fund, parents on the estate have established a natural play space on The Pleasance green, which is proving hugely popular. Plans are in hand to further extend the play opportunities this year.

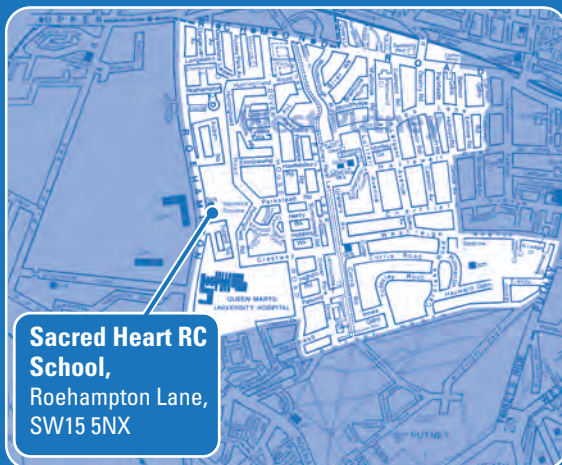

**Spring bulb planting** The council and local people planted more than 400 spring-flowering bulbs in autumn 2012 to enhance the play space, leading to a great show of colour last spring.

**Primary schools on a high** All primary schools in West Putney are now rated Good or Outstanding by Ofsted. Greenmead and Paddock Primary maintained their previous Outstanding rating, Granard successfully attained a Good rating and Sacred Heart was found to be maintaining its already high standards.

**Last order for street drinkers** An Asbo type order covering the Ashburton estate since March 2012 has resulted in street drinking being virtually eliminated. Those affected were helped by a multi-agency taskforce with their problems and addictions.
