## Officers' Remuneration 2022-23

OTTICERS' Remuneration 2022-23

The Council entered into the Shared Staffing arrangement (SSA) with LB Richmond from 1 October 2016. The table below sets out the remuneration disclosures for senior officers whose salary is £50,000 or more per year, an analysis of exit packages paid during the year. Senior officers whose remuneration exceeded £150,000 are named. In line with the statement of accounts, published separately, all tables detailed below represent Wandsworth's proportion of salary costs with the remaining balance being charged to LB Richmond. As a result in this table some senior officers whose total remuneration is above £50,000 are omitted if the cost apportioned to Wandsworth falls below £50,000.

Every effort has been made to ensure data is accurate and consistent with the Statement of Acounts over the same period.

The accompanying organisational chart shows all relevant senior staff in the top three tiers with their total remuneration.
