WATER LEAKS AND GAS ESCAPES

Please do not assume that someone else has phoned it in. Please do not report these to the Council. The following free phone numbers should be used to report leaks:

WATER: 0800 714 614

GAS: 0800 111 999

All utility companies must prioritise works across our borough as well as other boroughs in south London. The Network Management team actively monitors works on the public highway and works closely with utility companies to minimise disruption as much as possible as well as looking for opportunities to work collaboratively.
