Hill Lodge
Your guide to Hill Lodge sheltered scheme.

148 St John’s Hill SW11 1SN
Wandsworth Sheltered Homes Battersea area
Hill Lodge has been specially designed with older people in mind, it’s a small low level block built around an enclosed courtyard garden.

The garden provides residents with a quiet oasis in which to relax in this busy cosmopolitan area. It is conveniently located between Clapham Junction and Wandsworth and has access to excellent transport links.

Living accommodation
Hill Lodge has 33 apartments; seven one-bedroom apartments and 26 self-contained studio apartments, with bathrooms and open plan kitchens. All apartments have double glazed windows and central heating.

Services and security
Sheltered housing officers
There is an experienced sheltered housing officer who is available to offer advice and to give assistance whenever necessary, Monday to Friday. An emergency warden responds to calls outside regular office hours.

The sheltered housing officer generally looks after residents’ well-being, manages the block and will arrange any services such as meals on wheels or home care.

But most of all sheltered housing officers provide a friendly and reassuring presence.
Facilities

- Communal courtyard garden
- Communal lounge and kitchen
- Parking bays
- Ramped access
- Concessionary TV licence

Looking after your safety and security

Hill Lodge’s apartments and communal areas have a range of safety features that include:

- Emergency pull cord and fire alarm system
- Door entry system
- CCTV

Residents’ communal lounge

This is a popular place to meet friends or take part in activities. It is often the centre of social gatherings where you can enjoy coffee mornings, afternoon tea, bingo, exercise classes, parties and other activities or just simply a place to read away from your own apartment.

Lifts

Hill Lodge has a lift, with a seat, to each floor which helps if you have heavy shopping or difficulty walking. The lift has an emergency button which links to Wandsworth emergency control centre.

Laundry room

The scheme has a communal laundry room with a washing machine and separate dryers. This too is another popular meeting place.

Guest suites

There is a comfortable guest suite for visitors who may wish to stay overnight. This is designed for a short stay use (a fee applies).

Social activities and events

Hill Lodge has a residents’ lounge and a lively social atmosphere, regular activities include:

- Bingo
- Chair-based exercise classes
- Occasional outings and parties

Suggestions for new activities are always welcome. Please contact the sheltered housing officer for further details.
