Do you consider the Local Plan is legally compliant?	Yes
Do you consider the Local Plan is sound?	Yes

If you have entered 'No' to the above, please answer the below. Otherwise, please go to the next question. Do you think the Local Plan is unsound because it is not: (Please tick all that apply)

Do you consider the Local Plan complies with the duty to co-operate? Yes

Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, when considering any legal compliance or soundness matter you have identified in the question above.

Please note that non-compliance with the duty to co-operate is incapable of modification at examination.

You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Please note your response should provide succinctly all the information, evidence and supporting information necessary to support / justify the suggested change. After this stage, further submission will only be at the request of the Inspector, based on the matters and issues they identify for examination.

There are a lot of derelict phone boxes that hinder walking on the busy streets. These should be removed before considering adding benches. In fact I believe no benches should be added. I frequently have to walk in cycle/bus lanes as the pavements are crowded.

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

If you are seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)? (Please tick box as appropriate)

No, I do not wish to participate in hearing session(s)

I think priority should be given to crossrail at Tooting Broadway. You have stated that we have enough retail and restaurant outlets. Traffic and transport is an issue. There are large spaces such as Tooting Tram that are empty for 4 days a week. Could this not be repurposed as a market?
