Quick Answers to Common Tracking Questions

When I track my international DHL Express shipments, why do I sometimes get information for a shipment that is not going to the intended destination?

I have tracked a shipment and been told to contact DHL. Why is this?

The tracking results are showing that my shipment is going to a different town or city than it was initially addressed to. Why is this?

How do I learn who signed for my shipment?

As an account customer with DHL, is there a tracking solution I can use to receive an overview of all shipments on my account?

My shipment is showing 'Custom status updated from the destination,' even though the shipment just left the country. What does this mean?
