All utility companies must prioritise works across our borough as well as other boroughs in south London. The Network Management team actively monitors works on the public highway and works.

closely with utility companies to minimise disruption as much as possible as well as looking for opportunities to work collaboratively.

For further information please contact the Engineer in the first instance or e-mail streetworks@wandsworth.gov.uk. The bulletin is also available at [This week's roadworks and road closures - Wandsworth Borough Council](#)
