

<b>Project Name</b>	<b>Brief Summary of project (Q18)</b>	<b>Primary Theme</b>	<b>Primary Ward of Activity</b>	<b>Grant award</b>
Digi-Pals	A service offering friendly computer support to older people in Wandsworth. To run regular monthly IT sessions in local libraries and at the Age UK Wandsworth office. The sessions will use the Government's 'Learn my Way' programme as a learning tool and also help with specific issues and areas of interest.	HWB	Borough-wide	£ 8,558.00
Roof Restoration	The Club's premises needs severe roof restoration work carried out on it as it is in danger of collapsing and there is a serious leak which has caused major damage. In turn, this is causing a health hazard and preventing the lack of use for the community.	CIT/HWB	Tooting	£ 10,000.00
Black Heroes - Wall of Fame	The project is a new community arts and education programme inspired by the legend of <i>Black Heroes in the Hall of Fame</i> . Developed from the Black Heroes Soul Food Café, it is interactive, entertaining and educational bringing together a wide range of media. It will involve three elements: exhibition, oral history and educational play. The work will explore how integral Black history is to the creation of all aspects of British society and how these aspects are reflected in the history of the Black presence in Wandsworth.	ARTS	Borough-wide	£ 10,000.00

Refugee Girls' Group Pilot	To pilot a girls' group for 13-19 year old refugees and asylum seekers. Our primary demographic is unaccompanied children, the majority of whom are boys. A minority of girls attend all of our groups and say they feel it is important to be integrated, to feel confident in mixed groups. However, we know that there are other girls who we currently do not reach and it is these we wish to pilot this project at. The programme will be designed throughout with a core group of girls who already attend our sessions, shaping a proposal for its development to engage more young women. Alongside this programme will be a sports programme funded by London Sport.	YTH	Tooting	£ 9,960.00
Digilab Tooting Digital and Interpersonal skills development programme	A 16 week programme to teach young people digital skills such as basic computer literacy, coding (website development) HTML and CSS, WordPress, Photoshop and Illustrator, film making and digital marketing. Whilst the student is learning one of these skills, they will also be going through interpersonal skills development such as anger management, communication skills, presentation skills, understanding society and how to integrate and contribute towards positivity, self-confidence, working ethic, body language, teamwork, positive attitude and showing appreciation.	YTH	Tooting & Graveney	£ 5,269.00

Edible Avenue SW8 Garden volunteering	The project will take place on three housing estates; Patmore, Carey Gardens and Savona, as well as local schools, children's centres and sheltered housing linked to the estate. The project is targeting food and enhancing the natural environment as a way of addressing issues of social isolation and mental ill health. The focus will be on: Getting Fit, Help a neighbour and Greening the local area.	ENV/CIT	Queenstown	£ 7,810.00
Purchase of Shredder and panels for compost bins	We wish to purchase a petrol driven shredder and safety equipment in order to reduce and eventually eliminate the need for fires onsite to deal with woody materials and plant waste currently unsuitable for composting. The purchase of timbers for the existing 5 compost bins will improve the compost area and increase the efficiency of the composting that is available for plot holders use. both od these will result in reducing waste, increasing composting and improve air quality.	ENV	Southfields	£ 949.00
Boiler and Heating Improvements	To make improvements to the existing heating system, by up-grading the installation of a supplementary boiler to serve the sports hall, music studio and stage area, this making an isolated secondary zone that can be heated rapidly when in use an and left unheated when not.	YTH	Latchmere	£ 10,000.00

Roehampton Football Academy	To get the boys and girls into playing football. With increasing fitness and skill, to progress into playing friendly competitive games. Alongside this, to support young people through football into more positive behaviour, through opportunities for training to be coaches or referees, and other routes into education and work.	YTH	Roehampton	£ 5,950.00
Rotary Christmas Day lunch for the Elderly	For over 50 years, the Rotary Club of Battersea Park has been holding this event for residents over 65 years old. Transport by minibus is provided to bring guest in the morning and take them home after the event at 5pm. With 90% of 460 guests living alone, the event is well received. The grant request is for a contribution towards the cost of the transport.	HWB	Borough-wide	£ 3,000.00
Movement for Life	Building on the success and evidence gathered from our existing health and wellbeing activities, we are seeking to grow this project. We want to focus on people with autism and learning disabilities, integrating digital technology and a sensory toolkit approach. We wish to offer specialist therapeutic movement and dance activities for adults with learning disabilities and autism and to provide regular sports ad other physical activity sessions for disabled people, led by Disability Sports Coaches,	HWB	Shaftesbury and Tooting	£ 8,000.00

St Michael's Community Gospel Choir	The choir will be an opportunity for pupils from year 7 upwards to be part of a new choir focussing on gospel music led by an excellent and experienced director, Karen Gibson and her team. The choir will combine with older people to produce an unique experience of an intergenerational choir truly reflecting our community.	YTH	Northcote	£ 7,000.00
Improving our effectiveness	Our project is about becoming more efficient and effective in terms of how we operate as an organisation. We are a long established group of local community volunteers successfully organising various events during the year. To help us improve how we deliver these events and activities, we seek funding to allow us to hire suitable venues, advertise, pay reasonable expenses to speakers and improve our summer tree watering service.	ENV	Borough-wide	£ 500.00
My next step	The project will deliver 2 x groupwork programmes that will support children aged 10 and 11 with their transition from primary to secondary school. Our project focuses on early intervention and intends to be preventative. The beneficiaries will be those affected by adverse Childhood Experiences (ACEs) encompassing physical and emotional trauma such as anxieties, mental health and wellbeing issues, poor school engagement or attendance, prior trauma, poor peer relationships, behavioural issues, difficulties at home or at risk of gang involvement or school exclusion.	HWB	Nightingale and West Hill	£ 9,212.00

Girls Football Project	We want to start a new provision for coaching girls football. We aim to focus on girls under age 14 . We aim to hold a weekly 1.5 hr session with around 30 girls, although there is the potential to exceed this target. This will culminate in a full, competitive football season of between 15 - 20 games. Our project will take place at Wandle Recreation Centre and Beatrix Potter Primary school.	YTH	Earlsfield	£ 4,081.00
War Memorial Restoration	The Wimbledon Park World War One (WW1) memorial is being restored in time for the Armistice Day Service on 11th November 2018. In addition to existing lettering being restored, a new inscription to remember those who have fallen since then in later conflicts is being added. The memorial is situated in the memorial gardens by St.Paul's Church and is the civic memorial for the area.	CIT	West Hill	£ 1,000.00
