Applying for a place in the bilingual class at Belleville Wix School

Please read these notes carefully.

What is the bilingual class?

This class follows a jointly agreed bilingual French-English curriculum. It is taught 50% of the time in French, 50% in English. Respective national curricula expectations can be introduced at slightly different times to typical monolingual classes whilst the bilingual approach is embedded. The children sit the national tests of both education systems and typically achieve the standards expected by both by Year 6/Cours Moyen 2.

How do I apply for the bilingual class?

To apply for a place in the bilingual class you must do the following:

- 1 Include Belleville Wix school as a preference on your in-year form (unless your child is already on roll).
- 2 Complete this form.
- 3 Send this form to Pupil Services, Wandsworth Council, Town Hall Extension, Wandsworth High Street, SW18 2PU along with the in-year application form.

If you do not do all of the above, your child will not be considered for a place in the bilingual class.

NB. If your child already attends Belleville Wix you need only fill out this form.

What are the admission criteria for the bilingual class?

If there are more applications than the 14 places available for the bilingual class, children will be admitted in the following order of priority:

- 1 Children looked after. (Please see page 9 of the *Choose a Wandsworth Primary School* brochure for details)
- 2 Children with a professionally supported exceptional medical or social need for a place at a particular school, as decided by the Director of Children's Services.
- 3 Brothers and sisters of children on the roll of the school on the date of admission. (Note: children on the roll of the École de Wix do not count as siblings under this criterion)
- 4 Children in order of straight line distance from home to school, as measured by Wandsworth Council's Geographical Information System.

Applicants refused a place at Belleville Wix Primary School will have the right to appeal to an independent panel against the decision. However, the Panel cannot decide whether a successful appellant should be placed in the bilingual class or the English language class. Parents/carers who wish their child to be considered for the bilingual class only should bear this in mind if they decide to appeal.

Parents/carers of children admitted to the bilingual class, should be aware that the Headteacher reserves the right to move a child from the bilingual class to the English language class and vice versa, where he/she considers this to be in the child's best interests, and subject to the class size not exceeding the admission number.
