Dear Parent,

This school list names different types of schools (including 6<sup>th</sup> forms within a school).

Our schools' lists are designed to give you an idea of what is available in the local area.

However, it does not include the names of every school and we cannot guarantee that all the schools listed are suitable for your child/young person.

**Please note:** School details can change quickly and although we try to update our school lists every year, some details may change before then. We recommend that you look at the schools website for further information (SEN Policy/Information report) and visiting a school is usually the best way to find out if it's the right one.

You can also use the Ofsted website [www.ofsted.gov.uk](http://www.ofsted.gov.uk) to get further information about the school.

We recommend that you ask to speak to/make an appointment with the Special Educational Needs Co-ordinator (SENCO)/Inclusion Manager, or with the Headteacher when contacting a school for the first time.
