

WANDSWORTH BOROUGH COUNCIL

Wandsworth Civic Campus - Design, Supply and Installation of a Fire Detection and Alarm System

Wandsworth Borough Council is seeking expressions of interest from suitably experienced and competent suppliers for the provision of the Design, Supply and Installation of a Wireless Fire Detection and Alarm System, for the Wandsworth Civic Campus.

Expressing an interest

To express an interest in the opportunity, suppliers must submit a **completed Selection Questionnaire** which is available at <http://www.delta-esourcing.com>

Suppliers must register on this site to respond, although those already registered will not need to register again and will be able to use their existing username and password. Please note there is a password reminder link on the homepage.

Suppliers must log in, go to Response Manager and add the following Access Code:

AHU8K9V64K

The Delta e-Sourcing Helpdesk can be contacted by using emailing [Delta e-Sourcing Help Desk](#) in case of technical difficulties.

Completing the Standard Selection Questionnaire (SSQ)

Completed SSQs, along with any supporting documentation must be submitted through the portal by **12 noon on 15th May 2019**

Details of the selection criteria for inclusion within the tender list are provided within the SSQ Guidance.

Suppliers are advised that references will be obtained in writing from three referees. It is the supplier's responsibility to ensure that their referees respond within the time scale.

Invitations to tender

It is intended to restrict the tender list to a maximum of **6** suppliers. If more than 6 suppliers fulfil the criteria for selection, those scoring the highest number of points on the selection criteria will be invited to tender.

If you have any questions with regards to this opportunity, please use the message facility available via the Delta e-Sourcing portal.
