Key partnership arrangements

The Council works together with many organisations across the public, private, voluntary and community sector, and local people in a range of partnerships.

Local partnerships

The Wandsworth Health & Wellbeing Board is a partnership between Wandsworth Council and local GPs. Closer working between Wandsworth Council and local health professionals presents a great opportunity to improve the lives of our residents and promote a healthier borough. The Board is chaired by the Health & Wellbeing Lead member

The Safeguarding Adults Board has responsibility for the strategic leadership and development of multi-agency safeguarding across the Borough and statutory members and partners hold collective and shared accountability for improving the way local agencies and services work together. The Board is a statutory requirement under Section 43 of The Care Act 2014.

Wandsworth Safeguarding Children’s Board (WSCB) works to ensure that everyone is working together for the safety and wellbeing of children and young people. It provides quality assurance in safeguarding practice within Wandsworth

Sub-regional partnerships

Wandsworth Council is part of a Sub-Regional Partnership called Central London Forward (CLF) which has the aim to provide a collective voice for Central London Forward’s member boroughs and their citizens. It has a focus on helping London citizens back into work, improving the skills set of central London residents and improving the supply of new homes. Strategic Partners
The Council works with a wide range of strategic partners, these include:

**Clinical Commissioning Group**: the CCG is the clinically-led statutory NHS body in Wandsworth, commissioning services for residents, ensuring they deliver cost-effective and sustainable health services. The CCG is a partner of the Health and Wellbeing Board. Contact: James Blythe, Managing Director Email: james.blythe@nhs.net, james.blythe@swlondon.nhs.net

**Wandsworth Police**: The Council works closely with Wandsworth Police for various partnerships, including the Community Safety Partnership, and the Safeguarding Adults Board. Contact: Peter Laverick, Borough Commander peter.laverick@met.police.uk

**Enable Leisure and Culture (ELC)** is a not-for-profit organisation with charitable status, founded in October 2015 as a Staff Mutual out of Wandsworth Council. It provides leisure and cultural services for the benefit of local communities in Wandsworth, including: arts and culture, bereavement services, events, filming, leisure and sport, parks and green spaces, public and community halls, Putney School of Art and Design and the management of the Council’s Parks and Events Police.
