**Mayoralty**

There are two distinct roles to the office of Mayor:

- Constitutional – chairman of the council
- Civic - first citizen of the London Borough of Wandsworth

The Mayor is elected at the annual meeting – or Mayor Making in May each year. He or she will nominate a deputy mayor to serve alongside them for the year. The position of Mayor is non-political and must be seen to be at all times for the duration of the Mayoral year.

There are clear mayoralty protocols in place which clarify the role of the mayor and the expectations.
