

BURNTWOOD SCHOOL

ADMISSIONS CONSULTATION 2021-22

Burntwood School is now consulting on its admissions policy for September 2021 intake. Consultation will run from Wednesday 20th November for 6 weeks.

Proposed Changes

The change we are proposing, is to introduce a new admissions criterion giving priority of admission to children of school staff who are employed at Burntwood School. Further information is given below.

Proposal to give Priority of Admission to Children of School Staff

The School is proposing to give priority of admission to children of staff who are employed at Burntwood School. It is proposed to add this as criterion 4 (after the priority given to siblings of children attending the school).

The School believes that introducing such a criterion would support our school with staff retention and recruitment, especially in terms of recruitment where there is a demonstrable skill shortage, placing us in a similar position to other schools. All Wandsworth Community Schools and schools in adjoining neighbouring boroughs have introduced such a priority for their community schools and many own admission authority schools (academies, foundation schools, free school and voluntary aided schools) within Wandsworth have also decided to do so.

In line with the requirements of the national Admissions Code (paragraph 1.39), the School is proposing to restrict priority to children of staff in either or both of the following circumstances:

- a. here the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or
- b. the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

To restrict the impact on local families applying for a school place, the school is also proposing to place a limit on the number of places offered at each school to one place per Form of Entry (FE). Priority will also be limited to staff working at least as a 0.6 FTE (Full-time equivalent) and employed directly at the school (rather than through an agency or third party organisation). Priority of admission will only be given for the community school at which the member of staff is working.

Copies of the proposed admission policy is included in the appendix.

APPENDIX 1

BURNTWOOD SCHOOL

ADMISSIONS POLICY 2021-22

ADMISSION NUMBER

Burntwood School is an academy school for girls aged 11-18. The governors of the school are responsible for the arrangements for admitting children. The school will admit 313 pupils to Year 7 in September 2021. 78 (Category 1) places are offered to girls who receive the highest scores in the Wandsworth Year 6 Test, with the remaining 235 (Category 2) places offered to children in the order described below.

OVERSUBSCRIPTION CRITERIA

Places will first be offered to children with a Statement of Special Educational Needs or Education Health and Care Plan which names the school. In the event of oversubscription, the remaining places will then be allocated in the following order of priority as follows:

Category 1 places

Up to 78 places will be allocated by reference to general ability to those applicants with the highest scores in the Wandsworth Year 6 Test.

Category 2 places

The remaining 235 places will be allocated as follows, in this order:

1. Girls in public care (children looked after) and those who ceased to be children looked after because they were adopted, or because they became subject to a residence order, child arrangements order or a special guardianship order (Note 1).
2. Applicants with a professionally supported exceptional medical need or exceptional social need for a place at the school, as decided by the Governing Body (Note 2);
3. Girls not admitted under Category 1, who have a sibling attending the school at the time of application (Note 3);
4. Children of staff employed directly at the school (Note 4)
5. Girls who live nearest to the school, using a straight line measurement from home to school as calculated by the Wandsworth Council Geographical Information System (Note 5).

All applicants will apply on an equal footing, and will not need to specify under which category they are applying.

If there are more applications than places within any of the above Category 2 place admission criteria, applications will be considered in order of straight line distance from home to school as measured by Wandsworth Council's Geographical Information System (note 4). For Category 1 places, pupils with the same standardised test score will also be prioritised in order of straight line distance from home to school.

NOTES:

1. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. A residence order is defined by section 8 of the Children Act 1989. A child arrangement order is defined by section 8 of the Children Act 1989 as amended by section 14 of the Children and families Act 2014. A special guardianship order is defined by section 14A of the Children Act 1989.

2. Applications made on exceptional medical grounds must be supported by a current letter from a specialist health professional. Applications made on exceptional social grounds must be supported by a current letter from a social worker or other care professional working with the family. The letters must give reasons why the child's condition or circumstances make it necessary for the child to attend the school, and the difficulties that would be caused if the child had to attend an alternative school. If this information is not provided by the application closing date, the application will not be considered under this criterion.

3. A sibling is a full brother or sister, a step/half brother or sister living at the same address, a child who is living as part of the family by reason of a court order, or a child who has been placed with foster carers as a result of being looked after by a local authority.

4. Priority to children of staff will be given only where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage. The member of staff must be employed on at least a 0.6 full time equivalent (FTE) basis and employed directly at the school (rather than through an agency or third party organisation). The number of places offered under this criterion will be limited to a maximum of one place per Form of Entry (FE).

5. The straight-line measurement used to prioritise applicants for admission to schools in Wandsworth commences in all cases at the location of the property and terminates at the central point of the school site as determined by Wandsworth Council's Geographical Information System. Measurements by alternative systems and/or to other points will not be taken into account in any circumstances. Where applicants have identical distance measurements, priority amongst them will be determined at random.

6. The permanent address of the parent/guardian with whom the child is living on the closing date for applications will be used for this purpose and this must be the address where the family normally lives. Parents are not permitted to use a temporary address to secure a school place for the child. A business address, a childminder's address, or any address including a family member's address other than the child's permanent home will not be accepted. Proof of address will be sought and if there is any doubt about the validity of the address given it may be the subject of further investigation. Please see the "Choose a Wandsworth Secondary School" admissions brochure for further information.

7. Where a child lives with parents with shared custody/responsibility, the address where the child spends the majority of the week should be used by parents for the school application. If there is a genuine 50/50 shared arrangement in place, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. In cases where an agreement cannot be reached between the parents and Child Benefit is claimed, the address that is registered for this claim will be used. Additional proof may be requested, e.g. court order or a solicitor's letter to confirm the arrangements.

APPENDIX 1

ADDITIONAL INFORMATION

Method of Application for Year 7

Parents/carers must apply on the Common Application Form of the local authority where they live. This can be completed online via www.wandsworth.gov.uk/admissions or on a paper form available from their local council's School Admissions Team. The closing date for Year 7 applications will be 31 October 2020. Notification letters will be sent out on 1 March 2021. Applications received after the set closing date will be accepted but will not normally be considered for a place at the school until after the initial offer date.

Waiting List

Unsuccessful applicants (including any applications received after the closing date) will be included on the school's waiting list ranked in order of priority under the published oversubscription criteria, without regard to the date that the application was received. Please note a child's position on the waiting list can go down as well as up. For example, if a new application is received or if a child on the list moves nearer to the school, the waiting list may need to be revised. The offer of a place does not depend on the length of time your child's name has been on the waiting list.

Appeals

Parents who are not offered a place for their child have the right to appeal to an independent appeal panel. Further information will be provided in the notification letter. The school will publish an appeals timetable annually on its website showing the relevant deadlines.

Admission of children outside their normal age group

Any request for admission outside of the child's chronological year of entry will be considered in accordance with paragraphs 2.17-2.17B of the Admissions Code.

The governing body, as the admission authority for the school will consider requests on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parents' views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The principal's views will also be taken into account. Each case should be supported by a letter from a professional (e.g. GP, Hospital Consultant, Social Worker) that provides the reasons for admission outside of the chronological year group. If the request is approved, the application will then be considered in accordance with the school's oversubscription criteria in the event of oversubscription. Parents have a statutory right to appeal against the refusal of a place at the school but this right does not apply if they are offered a place at the school but it is not in their preferred age group.

In Year Admissions

For in year admissions, parents/carers must apply to the school on the Wandsworth In Year Common Application Form. Applications will be considered in accordance with the above oversubscription criteria. In the event that it is not possible to offer a place the waiting list and appeals procedures described above will apply.

Fair Access Protocol

The school participates in the local authority's In Year Admission Fair Access Protocol to allocate places exceptionally to vulnerable and other children in accordance with the School Admission Code 2014. Where required, the admission of such pupils under the protocol takes precedence over pupils on a school's waiting list and may require the school to admit above the planned admission number for the relevant year group.
