

INKSTER & PENGE CONSULTATION

Following the information sharing event in May and the housing need surveys which have been ongoing recently, the Regeneration Team would like to invite you to attend a consultation on the future of Inkster and Penge House.

The consultation will take place Monday 6 January 2020 at York Gardens Library from 4-8pm.

We will explore the long term housing options for yourselves as residents and would like to encourage your attendance and feedback.

If you are unable to attend the consultation or have any other questions, please get in touch with the regeneration team on 020 8871 6802 or winstanleyyorkroad@richmondandwandsworth.gov.uk
