PROJECT NEWSLETTER

May 2019

ISSUE NUMBER 3

Wates Residential is working in partnership with London Borough of Wandsworth to deliver 71 much needed homes within the Borough, leaving a lasting legacy for the entire community and supporting our vision that

“everyone deserves a great place to live!”

Our progress to date

- Following the demolition of the existing structures, Wates have carried out the below ground obstruction removal to the East of the site. This mainly consisted of old foundations and drainage, where Gallagher Courts car park is situated.
- We have carried out the 2nd of our Archaeological investigation trenches.
- Thames Water have approved the drain diversion design, and this has allowed the initial excavation works in Battersea High Street to connect into the Victorian Sewer System (photo adjacent)

Our upcoming works

- Sewer Connection in Battersea High Street.
- Commencement of the new drainage that will divert Gaitskell Courts existing sewer from under the new development.

Shaping your community

- Wates has asked our budding young artists from Fledglings Kindergarten to help with some artwork for our new hoarding. New Signage will be erected on Battersea High Street in the coming months.

Reshaping Tomorrow Week

Wates staff will be volunteering the year at the Katherine Low Settlement. We will be supplying paint and manpower to decorate their staircase following repairs being carried out.

EMPLOYMENT AND TRAINING OPPORTUNITIES

We are working closely with Wandsworth Council on a number of employment and training initiatives. If you or someone you know are unemployed or looking for a change of career, please read on. Over the next year we will be recruiting to a number of roles, offering apprenticeships, pre-employment training and work experience opportunities. If you would be interested in any of these positions or require any other support with employment, training and information on making a career change, please contact michelle.mcsorley@wates.co.uk or call **07712433278** to register your interest.

Wates is a long-time associate member of the Considerate Constructors Scheme (CCS) and as such, welcomes your comments on the project. When our site office is up and running at the end of May you are welcome to visit should you wish to discuss the project with a member of the team. In the meantime if you wish to contact a member of the team please contact the Project Manager, Stuart Hamilton, who can be contacted at the main site office on **07547 572365** or by email to InfoShuttleworth@wates.co.uk
