Section B – Primary school preferences

Please read these notes carefully before completing question 5.

- If you live in the borough of Wandsworth you must complete question 5 below to apply for a place in any state primary school.
- You can include up to six state schools in the borough of Wandsworth and/or other boroughs. Don't include private schools. You may only complete one form.
- Wandsworth will co-ordinate your application for schools in other boroughs (please see page 3 of the *Choose a Wandsworth Primary School* brochure).
- Make your choices carefully by reading the criteria that will be used to decide which children will qualify for places if there are more applications than places. See pages 28-60 of the *Choose a Wandsworth Primary School* brochure.
- Include the schools closest to your home. Distance from home to school is used by most schools to decide which children are offered places. Please refer to page 8 of the *Choose a Wandsworth Primary School* brochure for important information about distances. Please bear in mind that children in a school's nursery class do not get priority over other children for Reception places.
- When you have decided which schools to apply for you must list them in question 5 below in the order you prefer them. Please only list one school on each line.
- None of the schools will be told which other schools you have applied for or the order in which you prefer them. This information will remain confidential to Wandsworth Council's Children's Services Department but will be divulged to an Independent Appeal Panel if they request it.
- Before places are offered, the council will check whether your child can be allocated a place at more than one school. If your child can be allocated a place at more than one school, the council will offer you a place at whichever of these schools you put highest in your list in question 5. It is therefore very important that you list the schools in the right order as this cannot be changed later.

IMPORTANT

Applying for one school only will **not** improve your chances of getting a place at that school. If your application is unsuccessful, and you have not included alternative schools on the form, your child will be without the offer of a place at any preferred school when places are offered on 16 April 2021. At that stage the council will be required to make you an alternative offer at a school with spaces available if possible.

5. Primary school preferences

Please read the notes above and then write the names of the state schools you are applying for in the order you prefer them including any schools outside the borough of Wandsworth. Don't include private schools.

1st preference	borough/county
2nd preference	borough/county
3rd preference	borough/county
4th preference	borough/county
5th preference	borough/county
6th preference	borough/county

6. Application for Voluntary Aided (faith) schools - Supplementary Information Forms (SIFs)

If you have included a church or faith school in your list of preferences in question 5, you must also complete the school's supplementary information form to provide additional information about religious commitment. The forms for Wandsworth schools are available direct from the school or from www.wandsworth.gov.uk/admissions and must be returned to the school no later than **15 January 2021**. The forms for schools in other boroughs are available from the schools.

You must make sure you list the school as one of your preferences at question 5 above. If you **only** complete a school's supplementary information form, it will **not** be a valid application. Both forms must be received by 15 January 2021.

Section C – Additional information

7. Details of siblings (the definition of a sibling can be found on page 8 of the *Choose a Wandsworth Primary School* brochure)
