

Wandsworth Climate Summit

Why are we doing this?

18 November 2020

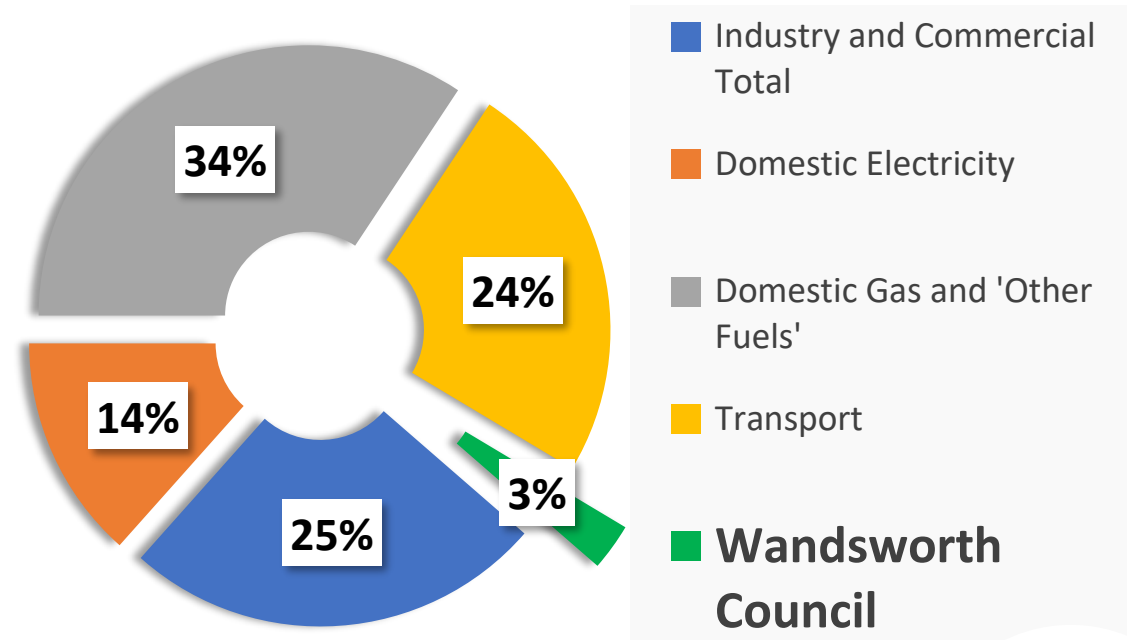

OUR VISION FOR NET-ZERO

What this means in practice

Part 1: getting our own house in order – becoming carbon neutral as an organisation by 2030

Part 2: reducing the borough's emissions and preparing for climate change

2018 Wandsworth Borough Emissions

THE SEVEN THEMES OF WANDSWORTH'S ENVIRONMENT AND SUSTAINABILITY STRATEGY

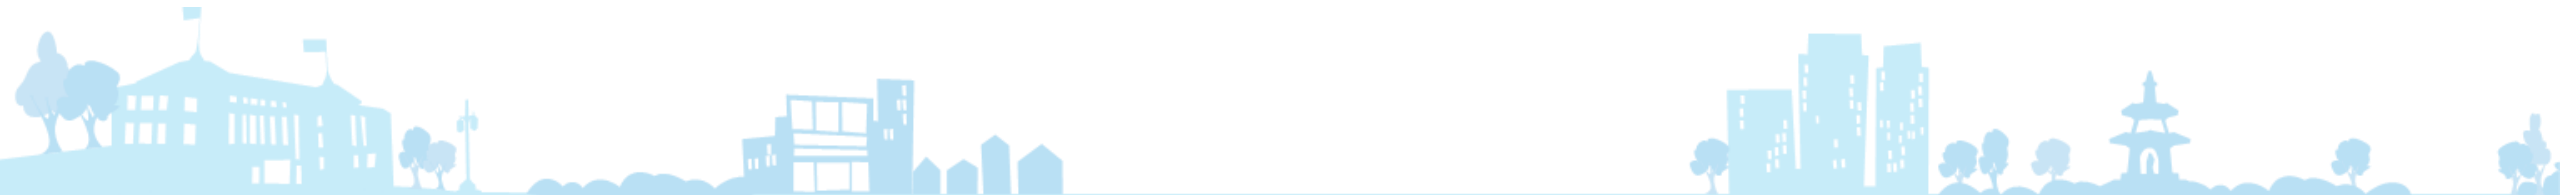

- Sustainable Transport
- Air Quality
- Energy Management
- Urban Greening and Open Spaces
- Waste Management
- Water Management and Flooding Resilience
- Planning and Sustainable Development

HIGHLIGHTS FOR 2020

- Baseline our emissions
- Love to Garden
- Shop Local
- Electrifying transport
- Zero-carbon energy

“Wandsworth powers ahead with 100 per cent zero carbon energy“

HIGHLIGHTS FOR 2020

Decarbonising the Council's buildings by switching to 100% zero carbon electricity

Securing over £500k for energy efficiency upgrades to low-income households under the Green Homes Grant Local Authority Delivery scheme

HIGHLIGHTS FOR 2020

Driving our sustainable transport transition.

Over 560 EV charging points in the borough and another 140 lampost sockets on the way with further installations planned in 2021.

5,000 plug-in vehicles registered in Wandsworth with numbers rising by more than ten per cent every three months.

Highest take-up rate of car club membership in the country with more than 31,000 registered members.

“Brighter Borough tops London’s league table for EV charging points”

**We're open
for business**

Put your £ where your
❤️ is and shop local

HIGHLIGHTS FOR 2020

Climate Change Meets Smart Growth

“It’s about ensuring that our children have the best start in life, building more homes for local people and making our town centres vibrant and culturally rich and the best place to start and run a business.”

WHAT NEXT

- Driving sustainable transport
- Supporting the green economy
- Rolling out Green Homes Grant upgrades
- Supporting and creating local, green jobs
- Raising climate awareness and delivering carbon literacy training
- Helping to build a climate-resilient economy

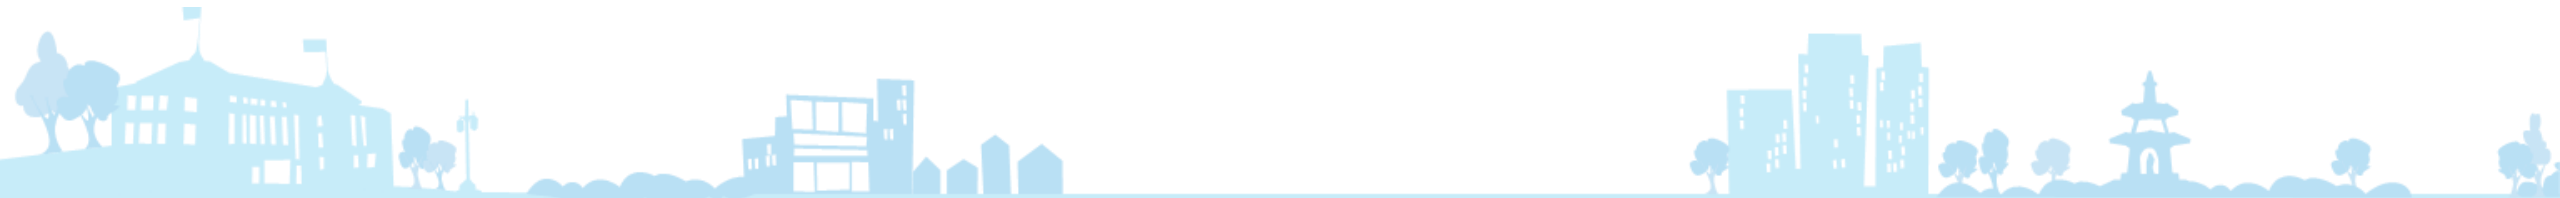

We are encouraging everyone taking part this week to make a personal pledge on Climate Change:

#WandsworthClimateSummit2020

At the end of the week, we will put all these together and share online and with all our participants
