## London Cycling Campaign Cycle Buddies

Cycle buddies from London Cycling Campaign are helping Londoners make essential journeys and stay active during the pandemic

Are you a new cyclist, nervous about riding on London's roads? Or are you a confident cyclist, keen to help others experience the joy and freedom of getting about by bike?

Cycle Buddies puts new riders in touch with experienced riders in their local area. Buddies can meet up and ride together – to work, to the shops or just to the park for some practice!
