

# Low-cost / No-cost ways to save

Giles Read – Thinking Works

Thinking  Works  
for a brighter tomorrow

# Low-cost ways to save – under £100

- **LED lighting**
- **Draught proofing**
- **Controlled ventilation**
- **Small energy saving measures – radiator reflector panels etc.**

# No-cost ways to save – FREE measures!

- Free water saving measures from Thames Water

[watersavingdevices.thameswater.co.uk](http://watersavingdevices.thameswater.co.uk)

# No-cost ways to save – Behaviour change

- **Audit your energy and water use – what uses the most energy? What changes could you make to make savings?**
