

Your rent explained

2025-2026

Introduction

This booklet tells you about your rent and charges and your obligations to pay your rent. Your rent account will be managed by the Rent Collection Service, and this booklet explains the action that will be taken if you do not pay your rent regularly.

Information is also given on the different ways you can pay your rent in Wandsworth and advice on how you can get help with making payments if you are having difficulties paying.

Your tenancy

For Wandsworth Council properties there are four types of residential tenancy:

- **Introductory tenancy**
- **Secure Periodic tenancy**
(called a 'Secure tenancy' in this booklet and the tenancy conditions booklet unless the context shows otherwise)
- **Flexible Fixed-term tenancy**
(issued to those with five bedrooms or more only)
(called a 'Flexible tenancy' in this booklet and the tenancy conditions booklet unless the context shows otherwise)
- **Non-secure tenancy**

Introductory tenancy

Unless you are transferring from a secure tenancy, a flexible tenancy or an assured tenancy with a registered provider of social housing (also known as a housing association), you will start your tenancy as an 'introductory tenant'.

Your introductory tenancy will last for one year unless you were an assured shorthold tenant of a registered provider of social housing immediately before being offered the tenancy. If this is the case, your time in this tenancy will count towards your introductory tenancy period and you will be advised of the length of your introductory tenancy, and of the type of tenancy that will follow, by your housing office. If you do not break any of the tenancy conditions during this time, you will automatically become a secure or flexible tenant.

If, during your introductory tenancy, you break any of the tenancy conditions, we will take action to end your tenancy.

Secure tenancy

By law, as a secure tenant you have the right to stay in the property for an indefinite period of time. We will not interfere with this right unless we have to take action because of reasons given in the Housing Act 1985 or any future law. We will take action if you break any of the tenancy conditions. We cannot evict you from the property unless we can prove grounds to do so to a court and the court grants an order for possession. As a secure tenant you will enjoy a number of rights not available to introductory or non-secure tenants.

Flexible tenancy

A flexible tenancy lasts for a fixed period of time (normally five years unless there are special circumstances). You will enjoy many of the rights which are available to secure tenants. If you break any of the tenancy conditions during your flexible tenancy we will take action and we may apply to the court to evict you. We do not have to give you another tenancy when the fixed term ends. Before your tenancy ends, we will decide in accordance with our Tenancy Policy whether to offer you another tenancy and, if so, what length of tenancy to offer or whether to offer you a secure tenancy instead. If we decide not to grant you another tenancy on the expiry of the flexible fixed-term tenancy, we will give you at least six months' notice in writing. The notice will give reasons for the decision and tell you about your right to request a review of the decision. If we decide not to give you another tenancy we can ask the court to make a possession order requiring you to vacate the property.

Non-secure tenancy

Some tenancies are neither secure, flexible nor introductory. These are known as non-secure tenancies. These may apply if, for example: a property is linked to your job; a property is let to you temporarily; you sub-let the whole of the property; or you do not live in the property as your main home.

If you are a non-secure tenant you will not have the right to buy your property; succession for members of your family; exchange your tenancy with another tenant; ask for another contractor to do an urgent repair when the repair has not been done in time; sub-let part of the property; compensation for improvements.

Non-residential tenancies

The term 'non-residential' refers to store sheds, parking lots and garages. Council tenants pay rent and any water rates on these types of tenancies. Anyone who rents a garage, who is not either a council tenant or a leaseholder living on the estate, will have to pay VAT at the current rate in force on the net rent in addition to any water rate charges that may be payable.

Non-residential tenancies are available to leaseholders or council tenants who are up to date with their rent account. A separate account is set up for the garage, store shed or parking lot.

It is a requirement for all new non-residential accounts to be payable by direct debit, monthly in advance.

Tenancy Support Service

We provide person centred support to Wandsworth Council tenants who may be experiencing difficulties with their tenancy. Our team will work with you to help you regain your independence and fully manage your tenancy.

Who can apply?

If you have a health condition or any other issue that may affect your ability to manage your tenancy, you may be eligible for the service. For example, Tenancy Support may be able to help with tenancy issues if you:

- Have a physical disability or sensory impairment
- Have a learning difficulty
- Have a mental health difficulty
- Have a drug or alcohol dependency
- Are a care leaver
- Are at risk of or suffering domestic abuse
- Are an older person with support needs
- Are an ex-offender or at risk of offending

What we do

We are a free service and give one to one support on housing related matters to those who are at risk of eviction or court proceedings.

We offer direct support and guidance around:

Advice and assistance can be offered in the following areas:

- Rent arrears
- Benefit Maximisation
- Budgeting
- Enabling you to better manage your tenancy long term
- Improving your daily living skills
- Signposting to specialist services relevant to your need

How you access the service

You can refer yourself by calling or emailing the Tenancy Support Service or you can be referred by a professional agency.

Phone: **020 8871 6617** (Monday to Friday 9.30am - 1pm and 2pm - 4.30pm)

Unauthorised occupants

If your tenancy has been ended (for example by a court order for possession), sending you this booklet does not mean that the council has granted you a tenancy or any other rights of occupation. The payments you make are accepted purely as use and occupation charges only.

Your rent and charges

When you signed the agreement for your council property, you entered into a legal contract with Wandsworth Council.

You agreed to the tenancy conditions and therefore accepted the responsibility for ensuring the full rent charge is paid.

How we work out your rent

Basic rent

The council's rent policy is linked to government rules that restrict annual changes to rents and the level of rent we charge when a new tenancy is granted. However, the rent you pay depends on when your tenancy started and any annually agreed changes since then. Overall council rents are much lower than in the private sector, but the council must make sure that the rents collected are high enough to cover the costs of managing the properties.

Service charges

Where applicable, service charges have been itemised separately. The charges are calculated independently based on actual costs with increases from year to year capped where applicable.

Water rates

Thames Water now collect their water rates directly from tenants, if you have a query regarding your water rates please contact Thames Water and discuss it with them.

Heating and hot water charges

Some council properties are connected to a central boiler system which serves the whole estate or block. The heating and hot water charges are then shared between all residents who are connected to the system.

The amount you have to pay is based on the output of the boiler and the type and size of your individual property, and is reviewed at least annually to reflect changes to gas prices paid through the council's centrally purchased gas contracts.

Heating/repairs

The repair costs for tenants are included within their rent. For leaseholders they are shown under the description "Heating & Hot Water – Maintenance".

Non-residential charges

This means the rent you have to pay for a store shed, garage or parking lot. These charges are normally shown on the notification sent to you for your dwelling, unless you have a separate account for the store shed, garage or parking lot. This also occurs when a member of your family is renting one of these facilities and has signed a separate agreement making them responsible for paying the non-residential rent.

Value added tax

Generally, council tenants and leaseholders do not have to pay value added tax (VAT).

The exceptions to this rule are:

- If you rent more than one garage.
- If you live on a different estate from the place where your garage is located.

We are required by law to charge VAT in addition to the rental for some garages. We then collect the VAT on behalf of HMRC.

- Relatives of tenants or leaseholders will have to pay VAT if they rent a garage in their own name.
- Freeholders, and any other people who rent a garage from the council, will also be liable for VAT.

If you are charged VAT by the council for the use of a garage and you are required to make VAT returns to HMRC, the council's VAT registration number is **216259470**.

How to pay your rent

There are a number of ways to pay your rent.

If you would like more information about any of the methods listed below please contact the Rent Collection Service. It is helpful if you can have your rent account number to hand when you contact us.

Direct debit

You can apply to pay by this method if your rent account payments are up to date and you have a current bank account from which you are able to make payments. The council offers two payment dates – 1st or 16th of the month.

If you are in arrears with your rent/charges and you would like to apply, you will firstly need to make an agreement with the Rent Collection Service, so that the direct debit amount is acceptable to both yourself and the council. Please call **(020) 8871 8987** for further help and advice.

Call **(020) 8871 8987** to set up a direct debit over the phone. If you are not the sole bank account holder you will need to complete a direct debit form, which can be found at the end of this booklet.

Payments on the internet

You can pay online using your debit/credit card at www.wandsworth.gov.uk/payments

Online banking

The council's bank details given below can be used for making online payments.

NatWest Bank plc, details are as follows:

Account number: **69612544**

Sort Code: **60 22 28**

Please note that if you do not give the correct information as detailed above, the banking system may not be able to allocate your payment to your rent account. This may lead to your rent incorrectly showing as being in arrears.

Telephone payments

You can pay over the telephone using your debit/credit card (there is no charge for debit/credit card payments). Our automated phone service is quick, easy to use and is available 24 hours a day, 7 days a week (please note this facility may not be available between 5pm and 5.30pm when the system is updated).

The number to call is: **0800 021 7763, option 3** (free of charge)

NB. This service is for payments only. You should not use this number if you have a query.

Please note that when making payments by telephone (0800 021 7763), via the councils' website or online banking you must quote your account number, which begins with either 250 or 260. This will ensure that your payment is correctly applied to your rent account. When paying by debit/credit card you will need to have your card number ready, its expiry date and the security code from the strip on the reverse of the card. You will also need to know your rent account number and the amount you have to pay.

Swipe card

You can apply for a swipe card that can be used at any Post Office or PayPoint outlet. The Post Office will accept either cash, debit cards or cheques (cheques must be made payable to Post Office Ltd). Please note only CASH transactions can be made at PayPoint outlets. Please keep receipts in case of any queries.

To request a swipe card, call **(020) 8871 8987**

A list of the current outlets is available at:

www.postoffice.co.uk/branch-finder

www.paypoint.co.uk/locator

Swipe card transactions are **FREE** of charges.

Please note that a swipe card can ONLY be used for payments to your rent account. It cannot be used to pay your Council Tax or leaseholder service charges.

Standing order

If you have a bank account, you can pay by standing order. With this method, your payments will be paid in to your rent account automatically, according to the arrangement you have with your bank.

Please check the amount to be paid with the Rent Collection Service prior to setting up your standing order, to ensure that your payments will be sufficient. Contact **(020) 8871 8987**.

You can print a standing order mandate from our website www.wandsworth.gov.uk/rents

How do I check my balance?

You can check your balance using the 24/7 **automated rent account balance enquiry line: (020) 8871 8987**, option 1. You will need your rent account number beginning **250** or **260**. You can also make payments via this service by choosing option 2.

Alternatively, you can sign up to the Housing Online service where you can check your statement, request repairs and make payments online. To register visit www.wandsworth.gov.uk/HousingOnline.

Keeping track of your payments

We regularly send you statements of your rent account. This will show your personal rent account number and a breakdown of all your current weekly charges. It will also show all payments you have made and if applicable, any housing benefit paid to your account. An example of a statement is shown on page 13 to enable you to understand the information it contains.

Historically rent accounts have been set up on a 'Week A' or 'Week B' basis and tenants have been able to pay fortnightly on a Monday (one week in advance and one week in arrears). Rent accounts became standard 'Weekly' accounts from 1 April 2019. Tenants though can continue to make payments on the regular two-weekly basis they previously followed if they wish.

You can also access this information through the council's website www.wandsworth.gov.uk/rents once you have registered your details.

Accounts in arrears

If you are in arrears with your rent or charges and wish to speak to a member of staff to discuss making payments towards your arrears, please call **(020) 8871 8987**, Monday to Friday between 9am and 5pm.

If you don't pay your rent/charges

If you miss payments you will automatically be sent a letter to remind you to bring your payments up to date. If you continue to default on rent payments and accrue arrears the council will serve a 'Notice of Seeking Possession'. Arrears can be caused by late payments, missed payments, part payments and changes in housing benefit entitlement. The type of notice served will depend on the type of tenancy you hold, more details are given on page 15. When the notice expires the council will go to court to ask for possession of the premises and you could lose your home.

Please be advised that the council will seek eviction for non-payment of rent/charges.

Refunding credits on rent accounts

If your account is in credit you may be entitled to a refund. Please call **(020) 8871 8987** and select **option 5** for rent refunds.

Please note: All joint tenants will need to complete and sign a refund request form. This can be printed from **www.wandsworth.gov.uk/rents**

The Rent Collection Service can be contacted by:

Email: **rents@wandsworth.gov.uk**

Web: **www.wandsworth.gov.uk/rents**

Web: **www.wandsworth.gov.uk/HousingOnline**

Phone: **(020) 8871 8987 +OPTION 1 for balance enquiries

Balance due

Rent account statements are sent quarterly. Recent payments may not be shown on the statement but will be on your next statement. If the closing balance shows a minus sign this means you are in credit and are paying correctly. If your closing balance does not show a minus it means that your account is in arrears and you may not be paying enough to cover your charges.

Problems paying your rent

We aim to provide a range of services to help tenants pay their rent on time. If you are having problems paying your rent, you **must** contact us as quickly as possible.

Help paying your rent

If you can't pay your rent, you must talk to your rent collection officer. Anyone can have money trouble from time to time, so if you are having difficulty paying your rent, let us know immediately. We will do our best to help you.

The current data protection legislation requires the council to protect your personal data. The Rent Collection Service can only discuss your rent account with the named tenant (you) unless you provide your written permission for your details to be discussed with another person on your behalf.

If we are unable to provide you with in-depth advice, we may put you in touch with another organisation that can provide specialist advice.

Rent Collection Financial Inclusion Service

If you are struggling to pay your rent, the financial inclusion team can offer free money advice tailored to your needs. The team will review your income and expenditure with you, assist with applying for any additional benefits where applicable and provide basic debt advice.

Web: www.wandsworth.gov.uk/rents
Email: financialinclusion@wandsworth.gov.uk
Phone: (020) 8871 8780

Financial advice is also available on the Council's Cost of Living hub.
Visit wandsworth.gov.uk/hub or freephone 0808 175 3339

Housing benefit

Housing Benefit is a government scheme run by local councils to help those on low incomes pay their rent. From the 5 September 2018 Universal Credit has replaced Housing Benefit for all new claimants who need help to pay their rent.

Claimants who are currently in receipt of Housing Benefit will continue to receive it until they have a change of circumstances. At this point you will be asked to claim Universal Credit.

You may be entitled to claim the housing element of Universal Credit if you are on a low income, please refer to page 17 for full details.

London Plus Credit Union

London Plus Credit Union is working in partnership with Wandsworth Council to bring saving and loan services to the borough.

The credit union treats members as individuals and assesses their ability to pay back loans by knowing them, not just their credit score.

Members can safely put aside a little bit of money each week or a lump sum. Your money is safe and protected by the Financial Services Compensation Scheme.

For more information and to apply online visit www.londonpluscu.co.uk or call **(020) 7471 2620**.

Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Firm No. 473340).

Rent arrears – the consequences

Wandsworth Council will use all legal means to recover rent arrears. You will be told in writing about any legal action and the likely consequences.

You may receive a Notice of Seeking Possession. If this happens and an arrangement to pay the arrears is not made within four weeks we may apply to the court for a possession order. There will then be a court hearing, which you should attend. The court can grant the council two types of possession order.

Suspended possession order

This means that provided you keep to the agreement made in court to pay off the arrears, nothing more will be done. If you break that agreement, we will apply for a bailiff's warrant to evict you. You may also have to pay an additional court cost, which the court may award the council for having to take court proceedings against you.

Forthwith or outright possession order

This means that you have to leave the property by the date given in the order. If you don't leave, the council will apply for a bailiff's warrant to evict you. You may also have to pay an additional court cost, which the court may award the council for having to take court proceedings against you.

You have the right to apply to the court to suspend the warrant but the council is entitled to defend such applications.

Evictions

If you are evicted from your home for rent arrears, Wandsworth Council or another social landlord will not normally rehouse you.

You may have trouble getting credit, such as loans and hire purchase.

A possession order always carries a money judgement for the amount of arrears plus court costs.

You may not be able to get a mortgage as building societies and other lenders may, with your permission ask us for rent payment references.

You will not be allowed to rent a garage, store shed, parking space or obtain an estate parking permit. If you already rent one, it will be taken away from you.

Introductory tenancies

In most cases, you will start your tenancy as an 'introductory tenant'.

Introductory tenancies normally last for one year but your introductory tenancy may be shorter if you were an introductory tenant or a housing association tenant with an assured shorthold tenancy immediately before we made the offer.

As long as you comply with the tenancy conditions (including paying your rent) during your introductory tenancy period you will, at the end of this time, become a secure tenant (either a flexible fixed term tenant or a secure periodic tenant depending on the offer you were made and the tenancy agreement you signed).

However, if you breach the tenancy conditions during your introductory tenancy we may decide to extend the introductory tenancy for a further six months or start legal action to end the tenancy. You will be notified of our decision and have the right to request a review.

Remember, your home is at risk if you do not pay your rent.

Former tenants in arrears

If you are no longer a current Wandsworth Council tenant, or if you are a current tenant who still owes arrears for a former tenancy, we will pursue the former tenancy debt until it is paid in full. In order to avoid possible legal action please contact our former tenants account section on **(020) 8871 6898**.

Housing Benefit and Universal Credit

Who can claim Housing Benefit?

Housing benefit can help with rent if you're on a low income. You can only make a **new claim** for housing benefit if one of the following applies:

- you - and your partner if you live with them - are pension age
- you're staying in a refuge, hostel or some types of supported or temporary housing

How to claim housing benefit

An application can be made online, via the Wandsworth Council website.

Change of circumstance and changes of address can also be reported online at:

www.wandsworth.gov.uk/benefits

It is important you make a claim as soon as you think you might be entitled to benefit as any delay could mean you lose out.

The benefits service will let you know if other information is required. Remember the quicker the information is provided the sooner your claim can be assessed.

If you are in receipt of housing benefit, please remember to report any change of circumstances to the benefits service.

If the above is not applicable you will need to claim Universal Credit.

Universal Credit

For all new applications, the housing element of Universal Credit may help to pay your rent if you are on a low income. For full details of the eligibility criteria and to apply please go to **www.gov.uk/universal-credit**

Universal Credit (UC) is a single benefit that is replacing a range of benefits for working age people. It is aimed at making work pay and will be paid monthly directly to claimants like a wage.

Universal Credit has replaced the following benefits:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment Support allowance
- Housing Benefit
- Child Tax Credit
- Working Tax Credit

If you are in receipt of Housing Benefit it will be credited directly to your rent account and this will reduce the amount of rent, you pay.

If you are in receipt of Housing Benefit or Universal Credit, you may be affected by the Welfare Reform changes which came into effect in 2012.

Please note the information below is believed to be accurate at the time of writing. Some of the information may be over-simplified or may become inaccurate over time, for example because of changes to the law.

Further information about Welfare Reform can be found at www.gov.uk or on the benefit service website: www.wandsworth.gov.uk/benefits

Social sector size criteria

The size criteria rules mean that working age claimants who have more bedrooms in their property than required may have their housing benefit or Universal credit reduced.

The Size criteria rule will not be applied for the following:

- State pension credit age – If you are over state pension credit age or have a partner over state pension credit age, pension age is currently 66+ years old.
- Temporary accommodation – If you have been accepted as homeless under homelessness legislation of the Housing Act 1996 and placed in temporary accommodation by the local authority

If a tenant is under-occupying there will be a reduction in their housing benefit. The eligible rent figure used will be reduced by:

- 14 per cent for under-occupancy by one bedroom
- 25 per cent for under-occupancy by two bedrooms or more

More information on the criteria and further exemptions can be found at www.wandsworth.gov.uk/benefits

If you are a council tenant in a property larger than your needs the council may be able to assist you to move to a smaller property. If you wish to discuss this you should contact the council.

Email: allocation.team@richmondandwandsworth.gov.uk

Phone: (020) 8871 5884

Two child policy

The two-child policy was introduced in 2017, restricting new claimants from claiming Housing benefit, Tax credits or Universal Credit for more than two children unless a Tax Credit exemption applied.

Previous claimants with two or more children prior to 6 April 2017 will still receive the applicable allowance for all children in the household.

More information on the Tax Credit Exemptions can be found at www.gov.uk/guidance/child-tax-credit-exceptions-to-the-2-child-limit

Benefit cap

This is a cap on the total amount of 'out-of-work' benefits that **working age** people can receive.

The current weekly benefit cap rates are:	Within Greater London	Outside Greater London
Couples with or without children and lone parents	£486.98	£423.46
Single person	£326.29	£283.71

Any amount above the cap figure is then deducted from Monthly Universal Credit or weekly housing benefit.

For up-to-date information on this and details about exemptions from the cap visit www.gov.uk/benefit-cap

The Direct Debit Guarantee

- This guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits.
- If there are any changes to the amount, date or frequency of your Direct Debit, Wandsworth Council will notify you 10 working days in advance of your account being debited or otherwise agreed.

If you request Wandsworth Council to collect a payment, confirmation of the amount and date will be given to you at the time of the request.

- If an error is made in the payment of your Direct Debit by Wandsworth Council or your bank or building society you are guaranteed a full and immediate refund of the amount paid from your bank or building society.

If you receive a refund you are not entitled to, you must pay it back when Wandsworth Council asks you to.

- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please notify us.

This guarantee should be retained by the payer
