Consultation Notice on the Proposed Admission Arrangements for 2028–29

The Governing Body of Our Lady of Victories R.C. Primary School is consulting on its proposed Admission Arrangements for the academic year 2028–29.

Following a review of our existing policy, we are proposing a number of small amendments to make our admission arrangements clearer, fairer and more closely aligned with the guidance issued by the Catholic Diocese of Southwark.

In preparing the proposed arrangements, I have consulted with Sam Gower, our Trust Relationship Officer at the Diocese of Southwark. The Diocese has reviewed the proposed policy and confirmed that it is happy for us to proceed to public consultation. Our proposed Admissions Policy follows the Diocesan model.

The main proposed changes are as follows:

1. Oversubscription criteria – Catholic children and catechumens

We have amended the wording of the oversubscription criteria to refer to Catholic children, rather than using baptism as the defining terminology. We have also included catechumens explicitly within the criteria, in line with the Diocesan model.

2. Order of priority within each category

We have revised the order in which priorities are applied within each oversubscription category. In particular, applications supported by evidence of an exceptional social, medical or pastoral need of the child, which can most appropriately be met at Our Lady of Victories, will receive first priority within their respective category.

Other priorities, including siblings, children of eligible members of staff and children living within the parish, will then be applied in the order set out in the proposed policy.

3. In-year applications

We have clarified the procedure for applications made outside the normal Reception admissions round. The revised wording makes clear that children will be admitted where places are available. Where there are available places but more applications than places, the published oversubscription criteria will be applied to determine priority. Where no places are available, children may be added to the waiting list in accordance with the policy.

4. Supplementary Information Form (SIF)

We are also updating our Supplementary Information Form to bring it into line with the Diocese's model SIF and ensure that it is compliant with current data protection requirements.

We hope these amendments will make our arrangements clearer and ensure that our admissions process remains fair, transparent and consistent with Diocesan guidance.

The proposed Admissions Policy and new Supplementary Information Form are attached to this consultation notice and are also available on the school website.

Who is being consulted?

This consultation is addressed to:

- Parents of children between the ages of two and eighteen;
- Other people in the local area who have an interest in the proposed arrangements;
- All neighbouring primary school admission authorities;
- Wandsworth Local Authority;
- The Diocese of Southwark.

Wandsworth Local Authority has kindly agreed to facilitate the consultation on behalf of the school.

How to respond

The consultation will run for six weeks, from **9th November to 21st December 2026**.

Comments and representations on the proposed arrangements are welcome and should be submitted in writing to the school's email address admissions@ourladyofvictories.wandsworth.sch.uk

Following the consultation, the Governing Body will consider all comments received before formally determining the final Admission Arrangements. The final policy will be published on the school website following determination.

Admissions Policy 2028–29

Our Lady of Victories R.C. Primary School

PUBLISHED ADMISSION NUMBER	CLOSING DATE	OUTCOME
30 pupils Reception, September 2028	**15 January 2028** Common Application Form & SIF	**17 April 2028**

1 INTRODUCTION

Our Lady of Victories R.C. Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with these admission arrangements.

The governing body is the admission authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round (for admission to the school at the start of the school year in September and not for applications made in-year). The admission authority has set the school's Published Admissions Number ("PAN") at 30 pupils to be admitted to the reception class in the school year which begins in September, 2028.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

2 PUPILS WITH AN EDUCATION, HEALTH AND CARE PLAN

The admission of pupils with an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with an Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children. *(see note 1)*

3 OVERSUBSCRIPTION CRITERIA

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1	**Catholic** looked after and previously looked after children. *(see notes 2 & 3)*
2	**Catholic** children with a **Certificate of Catholic Practice**. *(see notes 3 & 4)*
3	**Other Catholic** children. *(see note 3)*
4	Other looked after and previously looked after children. *(see note 2)*
5	Catechumens and members of an Eastern Christian Church. *(see notes 5 & 6)*
6	Children of other Christian denominations whose membership is evidenced by a minister of religion. *(see note 7)*
7	Children of other faiths whose membership is evidenced by a religious leader. *(see note 8)*
8	Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

(i)	Where evidence is provided at the time of application of an **exceptional social, medical or pastoral need** of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made *(see note 11)*.
(ii)	The attendance of **a brother or sister at the school** at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above *(see note 9)*.
(iii)	An application from **a child(ren) of a member of staff** who has been employed at the school for two or more consecutive years at the time of application will be placed at the top of the category in which the application is made after children in (i) and (ii) above *(see note 10)*.
(iv)	An application from **a child(ren) living in the parish of Our Lady of Pity and St Simon Stock** will be placed at the top of the category in which the application is made after children in (i), (ii) and (iii) above *(see notes 12 & 13)*.

4 TIE BREAK

In the event of oversubscription within each category after the above criteria have been applied and it is necessary to decide between applications of equal ranking, priority will be determined by ballot allocation within each category.

The ballot will be conducted independently of the school with the assistance of the Local Authority.

5 APPLICATION PROCEDURES AND TIMETABLE

To apply for a place at this school in the normal admission round, you must complete a **Common Application Form** available from the local authority in which you live. You are also requested to complete the **Supplementary Information Form** attached to this policy if you wish to apply under oversubscription criteria 1 to 3 and 5 to 7. The Supplementary Information Form should be returned to the school office by the closing date (**15th January 2028**).

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked

higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

> ***If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child may not be placed in criteria 1 to 3 or 5 to 7, and this may affect your child's chance of being offered a place.***

> ***All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2028.***

6 LATE APPLICATIONS

Any late applications will be considered by the Governors' Admissions Committee, in the event of there being any available places, using the above criteria. If all places have been filled, parents will be offered the opportunity of placing their child's name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. This admissions procedure, although primarily relevant to children for whom a place is sought at the normal age of entry to primary education (Year R), will also apply to succeeding years, and be subject to the availability of places.

7 ADMISSION OF CHILDREN BELOW COMPULSORY SCHOOL AGE AND DEFERRED ENTRY

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

8 ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the school office at the same time as the admission application is made. The admission authority will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the admission authority will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

9 WAITING LISTS

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until the last day of the summer term 2029.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

10 IN-YEAR APPLICATIONS

An application can be made for a place for a child at any time outside the normal admission round and the child will be admitted where there are available places. Application should be made to the school office by

Headteacher: Ms Anna Madden
1 Clarendon Drive, Putney, London SW15 1AW

contacting admissions@ourladyofvictories.wandsworth.sch.uk or via ourladyofvictories.wandsworth.sch.uk/Admissions.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

11 FAIR ACCESS PROTOCOL

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the admission authority is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The admission authority has this power, even when admitting the child would mean exceeding the PAN (subject to the infant class size exceptions).

The admission authority reserves the right to withdraw the offer of a place or, where the child is already attending the school the place itself, where it is satisfied that the offer or the place was obtained by deception.

NOTES

These notes form part of the oversubscription criteria.

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making an application to the school.

   A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangement order or special guardianship order. Included in this definition are those children who appear (to the admission authority) to have been in state care outside of England and who ceased to be in state care as a result of being adopted.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

   For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'Certificate of Catholic Practice' means a certificate issued by the family's parish priest (or the priest in charge of the church where the family attends Mass) in the form laid down by the Bishops' Conference of England and Wales. It will be issued if the priest is satisfied that at least one Catholic parent or carer (along with the child, if he or she is over seven years old) have (except when it was impossible to do so) attended Mass on Sundays and holy days of obligation for at least five years (or, in the case of a child, since the age of seven, if shorter). It will also be issued when the practice has been continuous since being received into the Church if that occurred less than five years ago. It is expected that most Certificates will be issued on the basis of attendance. A Certificate may also be issued by the priest when attendance is interrupted by exceptional circumstances which excuse from the obligation to attend on that occasion or occasions. Further details of these circumstances can be found in the guidance issued to priests on the diocesan website "Certificate of Catholic Practice – Guidance for Clergy".

5. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

6. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. "Children of other Christian denominations" means children who belong to other churches and ecclesial communities which acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

   All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Headteacher: Ms Anna Madden
1 Clarendon Drive, Putney, London SW15 1AW
T: 020 8788 7957 • info@ourladyofvictories.wandsworth.sch.uk

8. "Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

   - A religion which involves belief in more than one God, and
   - A religion which does not involve belief in a God.

   Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

9. 'Brother or sister' includes:

   (i) all natural brothers and sisters, half brothers and sisters, adopted brothers and sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address, and

   (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

10. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child and any person who has care of a child.

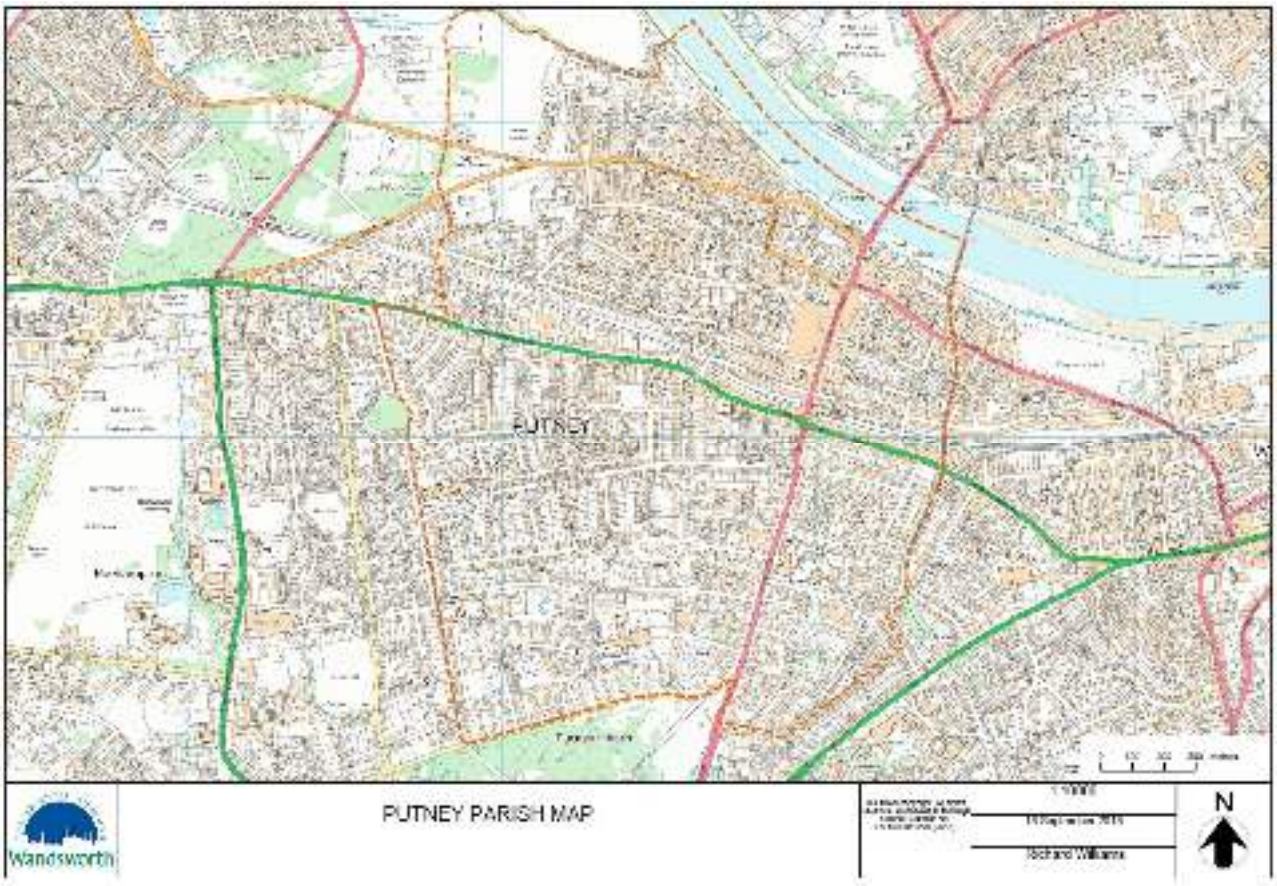

11. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the admission authority will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.

12. For the purposes of this policy, parish boundaries are as shown on the attached map and will be applied to the admission arrangements for **2028–29**.

13. A child's "home address" refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form ("CAF"). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.
