Works

The heart of a neighbourhood, part of a city

Stage 2 – land use and development, connecting communities

Why do we want to do this?

**Long-term
station solution**

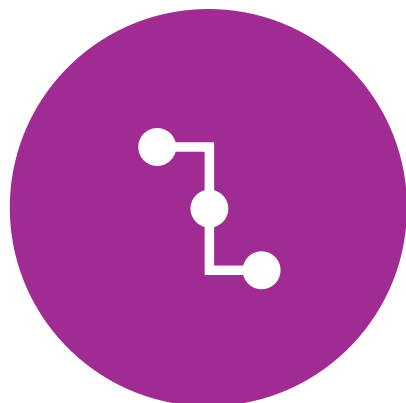

**Maximise
affordable housing**

Good mix of uses

**High quality
public realm**

**Stronger north /
south connections**

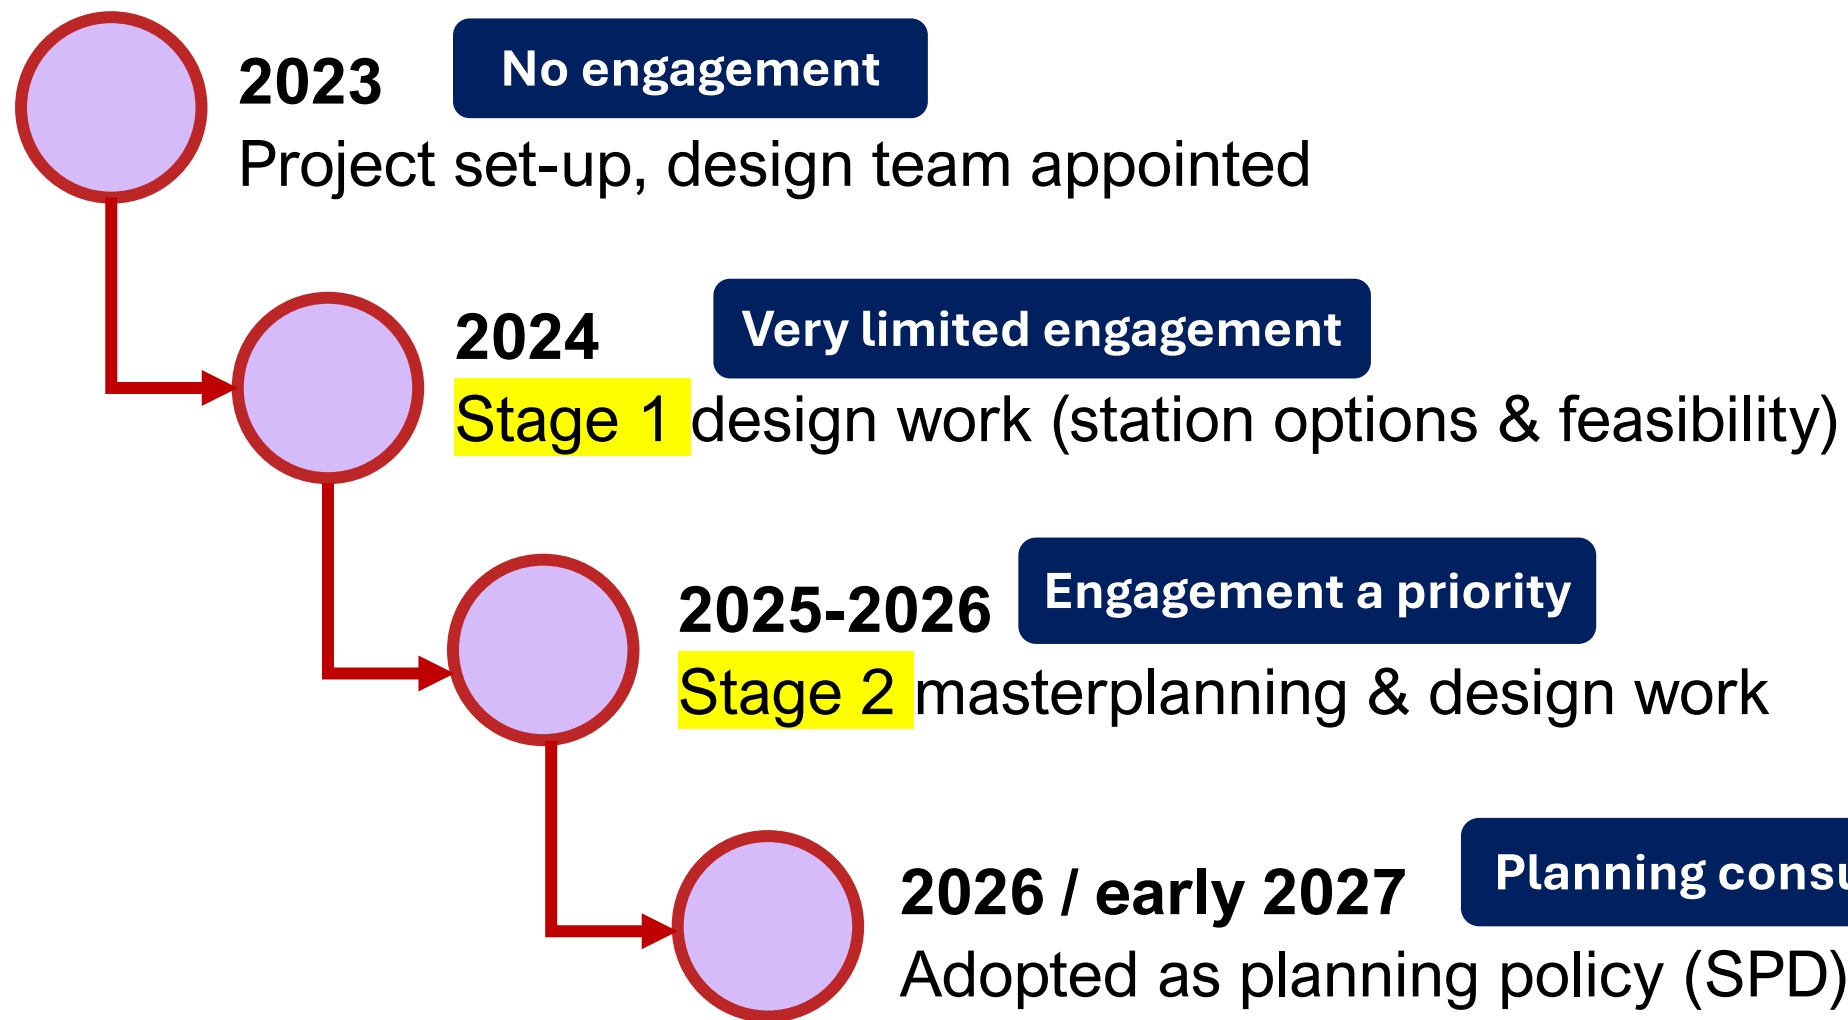

**Better opportunities
for residents**

**Embed community
voices in design**

What has happened so far? Where are we going?

Help us design the right masterplan for CJ

+ meetings with BID /
local businesses
