Farnborough House Garages

Meet the Contractor Event

10 June • 6:30 to 8:00pm

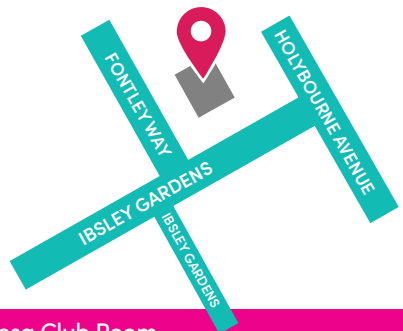

Come along to meet the contractors from Kind and Co and Homes for Wandsworth Team.

You will hear about how we will deliver much needed new council housing on land between Farnborough House, Rushmere and Chilcombe House, including the demolition of all existing garages, and the building of three new residential blocks (five-storeys each) comprising a total of 38 units (12 x 1-bedroom, 18 x 2-bedroom and 8 x 3-bedroom flats) with associated extensive new landscaping/tree planting, car parking, cycle & refuse storage, play area's, paths and lighting and EV car parking.

We will also update on some of the employment opportunities that will be made available to residents on the site.

There will be lots of opportunity to ask questions about how the development will affect parking, noise, dust control measures, how long the work will take and other Health & Safety matters just to mention a few
