

Table 01

What makes your neighbourhood special?

You told us that you would like to remain involved and shape the masterplan.

Tell us what makes your neighbourhood feel special to you and your community. Your views will help influence the design and look and feel of the area.

You also told us that safety is a priority.

Share the places you enjoy visiting, and those you avoid after dark. This will help shape the lighting strategy and improve how the area feels at different times of day.

Do you think of
Winstanley and York
Road as....

one place

part of
Battersea

two
estates

Table 02

A new wellbeing centre

You told us that you want to see inclusive, welcoming, and high quality community spaces.

Share what is important to consider to make the new wellbeing centre welcoming and well used by everyone in the neighbourhood.

Tell us where it could be easier to find and reach on foot, by cycle, and by public transport.

How can the new wellbeing centre work well for everyone?

What the wellbeing centre will provide:

public foyer

Library & children library

Gym and Sport studios

Swimming pool

Children services

Adventure zone

sport halls

sport pitches

What should the wellbeing centre do to work well for everyone?

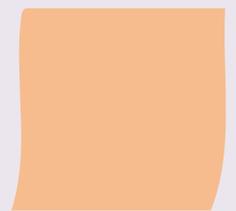

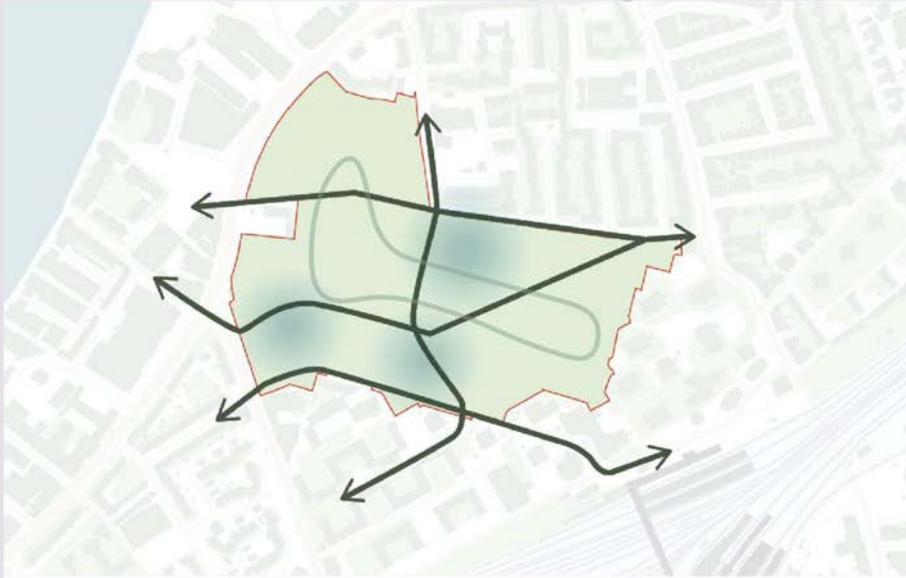

Table 2 Feedback sheet

Where do you think the wellbeing centre will...

- be easier to reach through walking, cycling, public transport?

.....
.....

- be most visible and easier to find?

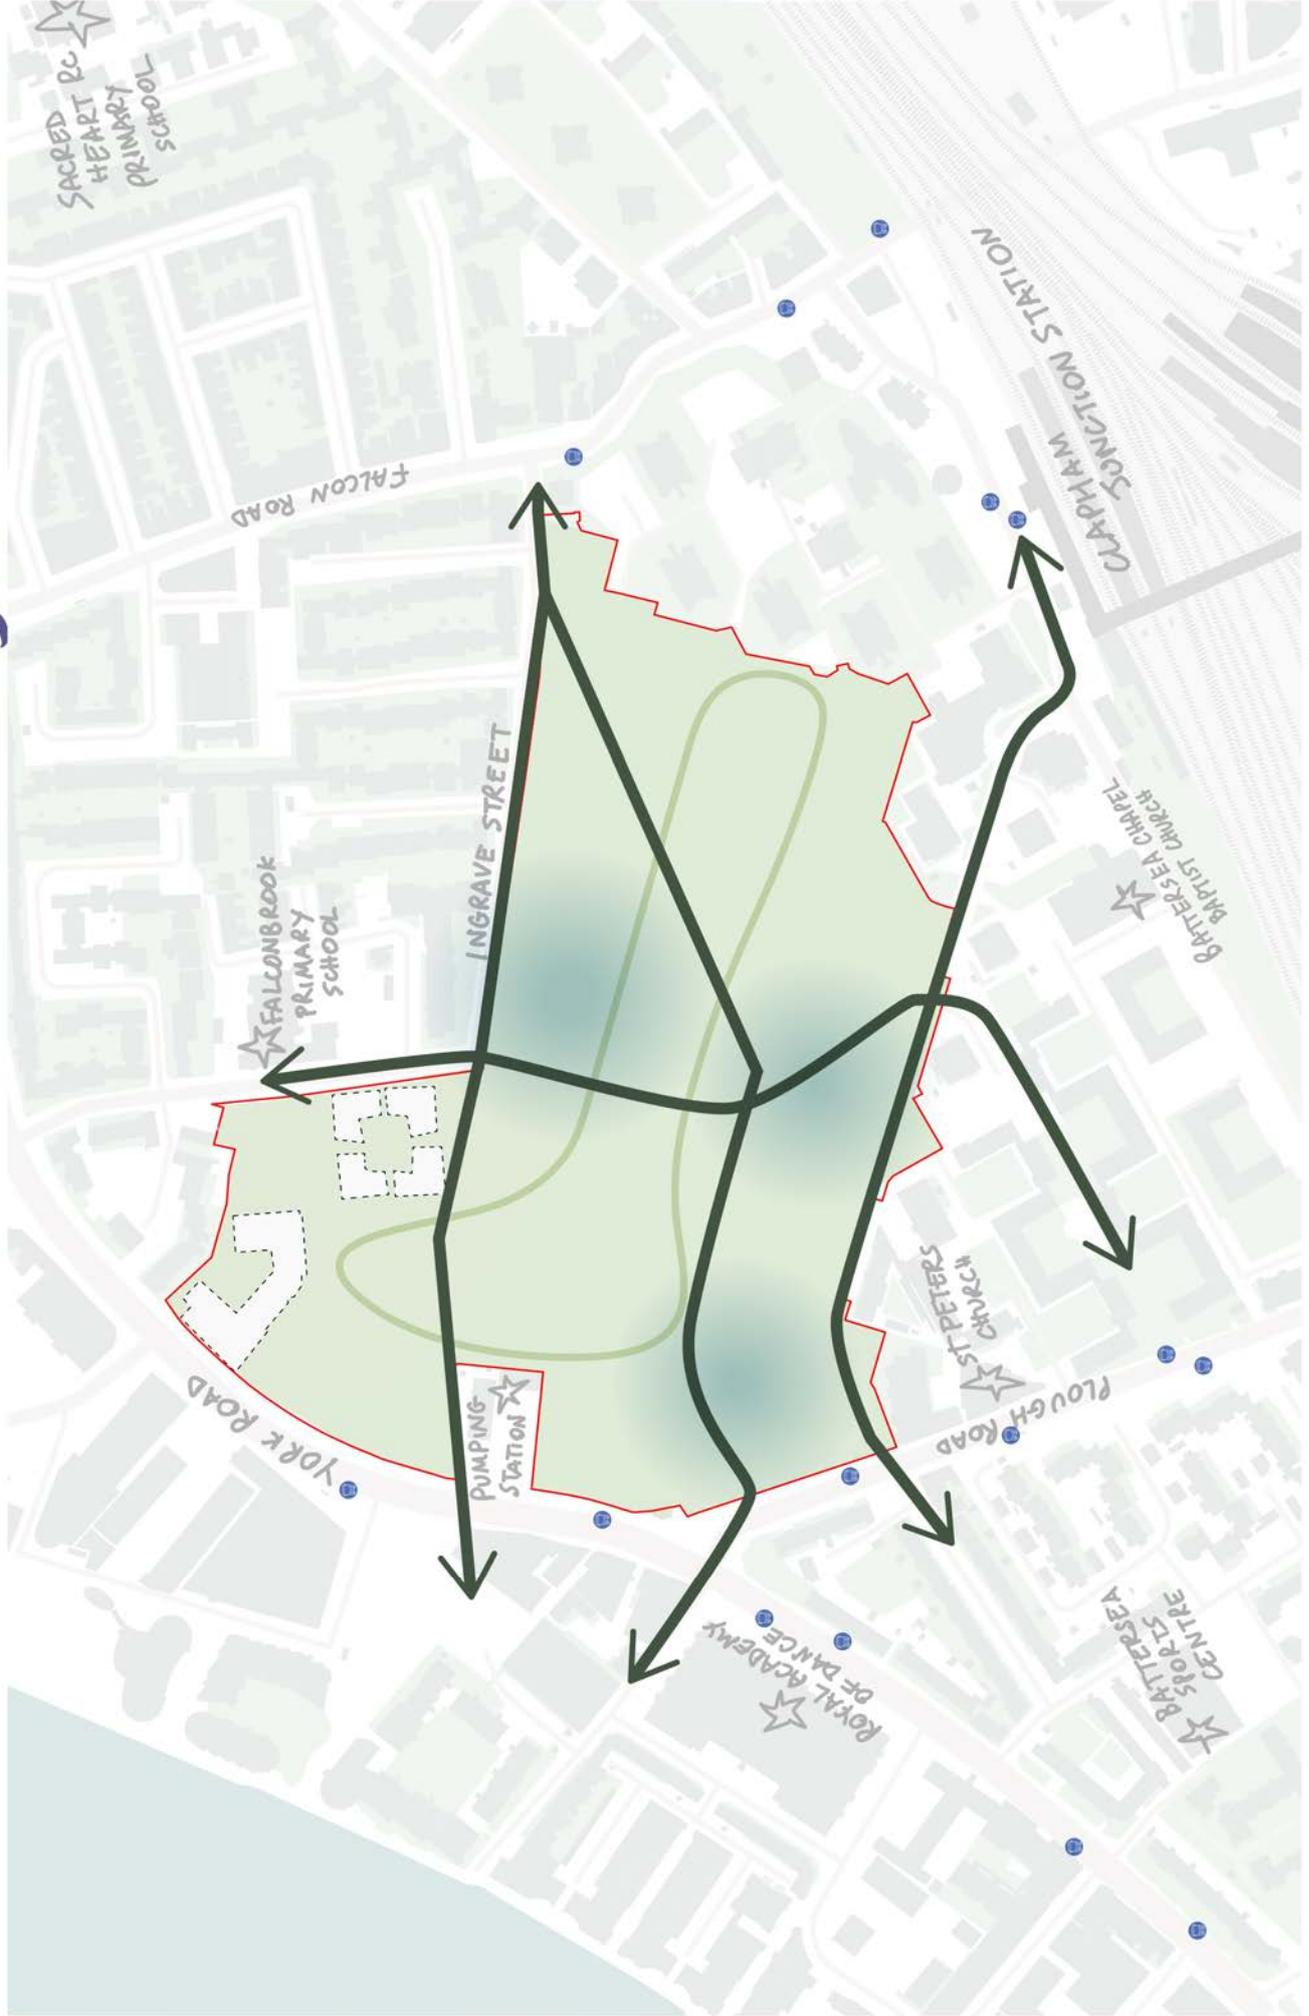

.....
.....

- have the best relationship with the park?

.....
.....

Place the wellbeing model to test

where the wellbeing centre....

is the most visible & easy to find

has the best relationship with the park

is easier to reach walking, cycling & with public transport

Table 03

A park for Battersea

You told us that one of your priorities is making the neighbourhood greener and creating high quality spaces to meet, relax, and play outdoors.

Share your ideas about what you would like to do in the new park at the heart of the masterplan.

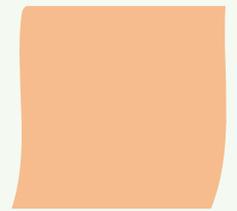

Tell us about the journeys you are most likely to make across the new park, and what would make them comfortable, safe, and enjoyable.

A new park for everyone in Battersea should have....

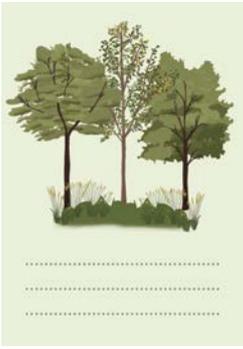

For socialising / Relax

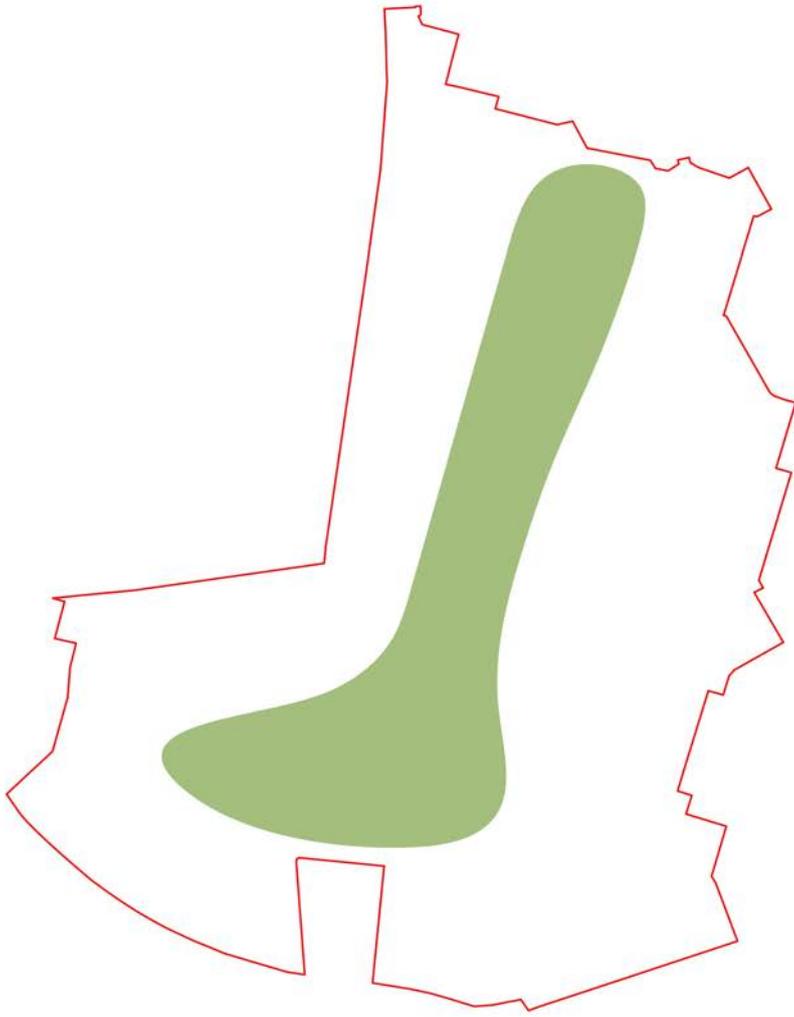

For Safety / Belonging

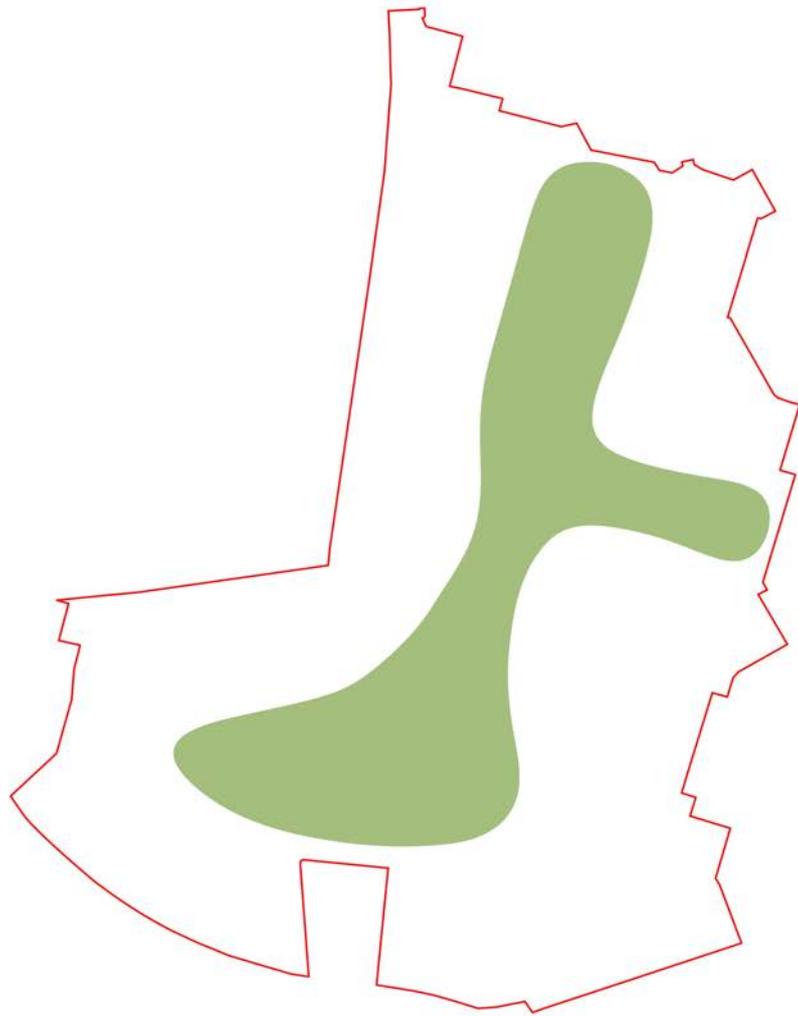

For Play / sports

For Nature

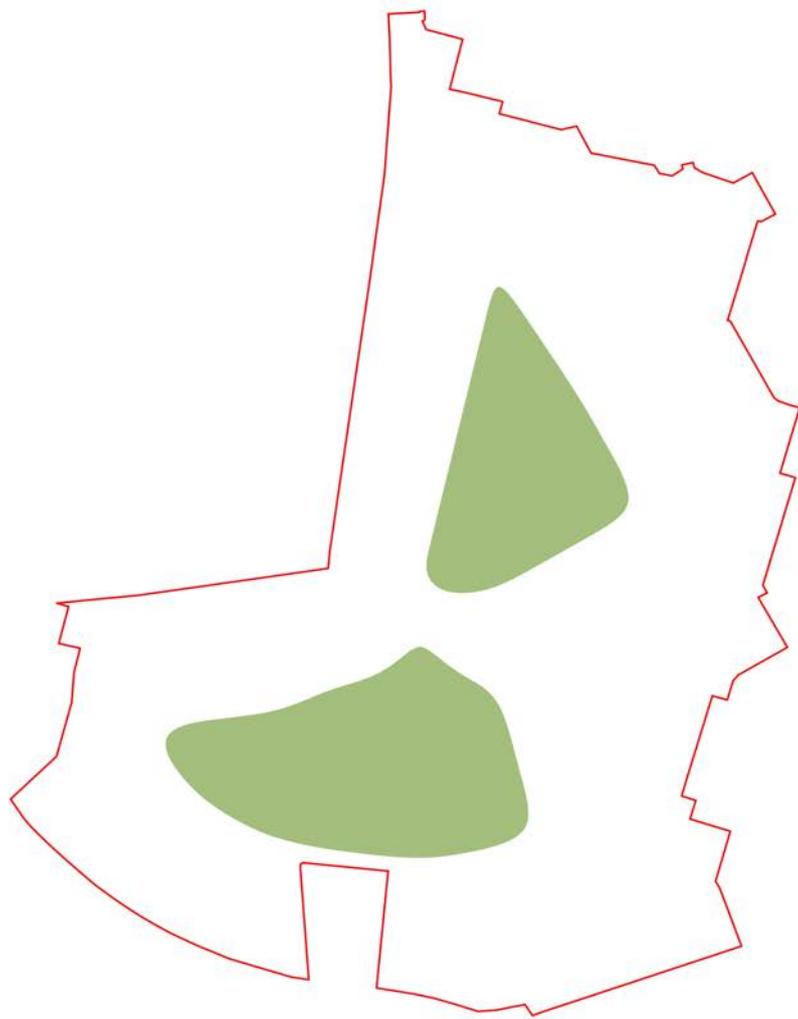

Table 3 feedback sheet

Trace the routes that you usually take through the neighbourhood

What do you think will make your routes through the park feel enjoyable, comfortable, and safe?
