

Green Community Grants Panel Application

The Winstanley Green Community Grants panel will provide an opportunity for community members and Council officers to come together to decide on where Green Community Grants funding should be allocated in the Winstanley Neighbourhood.

Please answer the following questions so we can get to know you better, learn about your environmental interests and help us put together a panel that truly represents the Winstanley Neighbourhood.

Please email your answers to togetheronclimatechange@wandsworth.gov.uk. For paper applications, telephone or video applications please email or call customer services on +44 20 8891 7658 and ask for a call back from the Climate Change Team.

Full Name:

Email address:

Telephone number:

Where in the Winstanley Neighbourhood do you live? (Please share the estate or street)

1. Please tell us about your personal story and connection with the Winstanley Neighbourhood.
2. Please share your interest in the environment and sustainability.
3. Tell us about yourself and your involvement in the community. We want to make sure the panel is truly representative so please share what you feel comfortable about you and your interest areas.

If you have any questions about this form or the panel, please contact the climate change team who will be happy to help.
