PLEASE NOTE:

Trade permits are available to those who are working as trades people, e.g. plumbers, builders etc. at a property in a Controlled Parking Zone which is not their permanent place of employment. Proof of work is required for the particular site i.e. estimate or invoice (which is verifiable) together with the application form and payment.

A daily trade permit allows the holder to park in the specified zone for one day and a weekly trade permit allows the holder to park in the specified zone for one week. These permits are not valid on off-street car parks or private roads or on housing estate roads and does not guarantee the use or availability of any space. Trade permits are not transferable, exchangeable or refundable.

Requests for larger quantities of trade permits will only be considered if the contract of work runs for more than three months. Please email parkingpermits@wandsworth.gov.uk for advice.

If you are unable to supply any of the documents specified overleaf, or if you are unsure of your entitlement to trade permits, please email parkingpermits@wandsworth.gov.uk or telephone the **Parking Helpline (020) 8871 8871**.
