

STAG HOUSE

WANDSWORTH

PROJECT NEWSLETTER

July 2019

ISSUE 6

Wates Residential is working in partnership with Wandsworth Borough Council to deliver much needed affordable accommodation in Putney Vale, leaving a lasting legacy for the entire community and supporting our vision that

“Everyone deserves a great place to live!”

Progress to date

Excellent progression has been made in June & July along with many trades starting work on site. PHD Modular Access have brought their bespoke solution to scaffolding to Stag House and have nearly completed the entire scaffold erection. We have seen a dynamic approach to installing SFS (metal work) and windows by Stanmore. Plumbing and electrical works have commenced internally. Winchmore have begun installing external brick & blockwork. Internally, D M & C Ash have commenced the drylining works forming the walls of the new flats.

Upcoming works

- Entire scaffold structure to be complete
- Brickwork façade and internal drylining continuing being installed
- Roofline to commence installation on roof
- Complete installation of windows

Emergency contact details: 07719 082 033	Saturday: 0800hrs – 1300hrs

Newlands Community Hall Voluntary Project

18.06.2019 – 21.06.2019

Wates staff at Stag House got their old clothes on and paint brushes out to volunteer to paint the interior of Newland Community Hall. A fantastic week had by all giving back to the local community and enabling the community budget to be spent elsewhere.

Volunteering in support of our communities and environment enables us to make a significant impact in the areas where it is most needed and to help disadvantaged people and communities to thrive.

St Mungo's Visit

St Mungo's is a charity dedicated to helping homeless people and rebuilding their lives. Stag House hosted a visit accommodating 7 individuals studying a variety of construction courses at their local centre in Kings Cross. Throughout the day, they experienced a live site, were involved in a discussion revolving around starting careers in construction and the wide variety of roles involved.

Works During June & July

Maintaining an impeccable level of health & safety, the progression at Stag House is happening fast. Many trades are now working on site with more planned to start in the coming weeks.
