Part II: Non-sheltered housing applicants

DO NOT COMPLETE PART II IF YOU WISH TO BE CONSIDERED FOR SHELTERED HOUSING

Please read the notes carefully before answering the questions in this section.

1 Why are you applying for housing?

Most of the council's housing stock is situated on housing estates in blocks of flats and we are, therefore, unable to consider requests for a particular type of property or floor level. We will, however, try to take into account any area preferences where there are good reasons, but cannot guarantee to meet your requests in every instance.

If your application is awarded sufficient priority under the council's allocation scheme for you to be made an offer, your chances of being offered a property will be better if you are flexible in your choices of area.

We suggest that you refer to the council's website, see *Access to Social Rented Housing* which has been produced to show you where and how often properties become available. It provides information about the number and size of properties in each part of the borough (ward) and the average let each year.

www.wandsworth.gov.uk/downloads/200126/finding_a_home

We will normally make applicants only one suitable offer of housing and, if you refuse an offer of suitable accommodation, your application will be cancelled.

Furthermore, for a period of two years following your refusal of any offer of suitable accommodation, you will not qualify for social housing in Wandsworth (meaning that any new application you make to be registered on the council's housing queues during that period will be refused) unless there has been a material change in your circumstances so as to make the earlier offer clearly unreasonable in the light of your changed circumstances.

2 Please tick those areas you wish to be considered for and state your reasons for these choices. Refer to the map of Wandsworth on page 17 for more detailed area information.

Tick individual wards or, if you wish to be considered for a whole area, you need only tick the area. For example, if you would like to move to any of the areas listed in Putney, please tick the box next to Putney area.

If no box is ticked we will assume that you wish to be considered for all areas.

Section H Housing Options

Resident Management Organisations

Some council properties are managed by resident management organisations which require active participation in the management of their properties.

Would you be willing to consider such properties?

Yes No

Seaside & Country Homes (SCH) scheme

If you are interested in moving to the countryside or one of the coastal regions of southern England, the SCH scheme offers you this opportunity.

You need to be a tenant with a council or housing association, aged 60-plus and living in London.

The scheme's landlords manage approximately 3,500 bungalows and flats along the coast, from Cornwall in the southwest to Norfolk and Lincolnshire in the east, and across the countryside from Dorset to Cambridgeshire.

If you want to find out about the scheme contact the SCH team on email housingmobility@london.gov.uk or phone **08450 21 20 20**.

Although opportunities are available to all eligible participants, priority will be given to those who will be giving up a larger property.

If you are a Wandsworth Council tenant wanting to know a little more about the scheme before deciding whether you are interested, please call the accommodation placement team on (020) 8871 5884.

If you are a tenant of a housing association please contact your own landlord or contact the SCH team.

Homefinder UK Scheme

Homefinder UK is a national mobility scheme that allows existing Wandsworth Council tenants, and those living in temporary accommodation to whom the council have accepted a homeless duty, to move from one part of the UK to another. Homefinder UK makes available a variety of properties at more affordable rents all across the UK.

If you've thought about moving out of London and relocating to a different part of the country, then Homefinder UK is worth considering. For more information go to www.homefinderuk.org.

Housingmoves Scheme (for social housing tenants only)

Housingmoves is the Mayor of London's scheme to help social tenants in London to relocate to other parts of the capital. All Council tenants and housing association tenants can apply, as long as they have a secure or assured tenancy and meet the eligibility criteria. To find out more about the scheme, including how to apply, please go to the Housingmoves website www.housingmoves.org.

Out of Borough Scheme

Are you already registered with this scheme?

Yes No

If you are a Wandsworth Council tenant or housing association tenant, we may be able to help you relocate to an area outside of the borough or find privately rented accommodation. For further information, please phone the housing options and assessment team on (020) 8871 6840 or email housingadvice@wandsworth.gov.uk.
