

Dear Resident

Kersfield Estate Development Public Consultation

London faces an acute shortage of housing across a range of different housing needs. Wandsworth Council's response has been the Wandsworth Housing Offer, by boosting the supply of housing in the borough, the Council aim to bring back affordability and choice for the diverse range of people and families moving and living here.

We are holding an event for residents to find out initial ideas for development of new homes on the Kersfield estate

This will be held on:

Date: Wednesday 13th July

Time: 3.30-8pm

Location: Sixth Form centre, Putney High School (Building 5 on map overleaf, enter via the school's main entrance on Putney Hill)

This consultation will give you the opportunity to discuss and view the initial proposals to build new homes on the estate.

This consultation follows from the initial consultation letter sent last year when the potential to develop sites in the area were first identified. The Council has also committed to look at environmental improvements on the estate.

The Council are committed to working with local neighbours and your feedback will be used to influence aspects of the development. Further consultation events will take place on the scheme before a final scheme is submitted to planning. If you have any further comments on the proposals please contact Kersfield@tibbalds.co.uk or telephone Claire Callow (Engagement Manager at Tibbalds) on 020 7089 2135.

I look forward to meeting with you.

Yours sincerely

Ian Ruegg
