

We want to hear from you!

We want to get your help with our **Special Educational Needs and Disability Strategy**

A strategy is a 'big plan' which tells everyone what we will do in Wandsworth to make sure children and young people with Special Educational Needs and Disabilities (SEND) have what they need at home, at school and in the community.

We are asking lots of people to complete our online survey
- children and young people, parents, carers, teachers and health professionals.

Please visit the 'Consultations' page on the wandsworth.gov.uk website
or scan the QR code below using your smartphone camera
to complete the survey.
